

MIDVALE CITY FALL BULKY WASTE CLEAN UP 2017

The 2017 Fall bulky waste clean-up will begin Monday, October 2nd and will end on October 27th. This service is being provided at no additional cost to Midvale City residents and will help to clean up our city! Bulky waste items are loaded by hand into a rear-loading garbage truck by ACE Disposal drivers. To make it easier for them, the bulky waste material items must be bagged, boxed or bundled according to the rules listed.

Your bulky waste pile must be no longer than five (5) feet in length, four (4) feet tall and five (5) feet wide.

This service is for homeowners who pay for waste collection services through Midvale City. This service does not apply to businesses, apartments, condominiums, mobile home parks and some HOA's. Please contact us if you are unsure if we provide your garbage service (801-567-7200 option 1).

Bulky Waste Program Rules **Please Read Carefully**

<u>DO</u>	<u>DO NOT</u>
<ul style="list-style-type: none"> • Place properly prepared bulky waste on the curb in front of your home no later than 6:30 a.m. on the Monday of your specified week (please see attached map). • Place small loose items in bags & boxes. Bags should be 30 gallons or smaller; boxes should be the size of a standard in-home garbage can and should not weigh more than 70 lbs. • Cut limbs into five (5) foot lengths and twine into bundles 18 inches or less in diameter, weighing no more than 70 lbs. • Put out furniture, carpet and padding, sofas, mattresses and water heaters. • Put out refrigerators, freezers, air conditioners, dehumidifiers and water <u>coolers that have had the Freon removed by a certified technician with attached documentation.</u> 	<ul style="list-style-type: none"> • Place waste in front of your neighbor's home. • Set boxes out in wet weather as the bottoms may fall out creating a mess. • Place loose and unbound yard waste on your curb. It will not be collected. • Put out limbs that are not bundled or do not meet the size and weight requirements. • Put out grass clippings for bulky waste pick up. • Put out rocks, concrete, gravel, dirt, sod, construction debris (such as sheet rock, glass, roofing materials, tile, bricks or fence posts with concrete), vehicle parts, tires, propane tanks, oil, gas, batteries, paint, flammable, toxic or hazardous materials. • Put out appliances with Freon in them. • Scavenge in other people's piles.

IF MATERIALS ARE NOT PROPERLY PREPARED, THEY WILL NOT BE PICKED UP.

If you have any questions about specific items, please contact ACE Disposal directly at 801-363-9995.

RIGHT OF REFUSAL- ACE Disposal has the discretion to refuse items which do not meet these guidelines or they believe will pose a risk to human health.

HELPFUL INFORMATION

Hauling to another location is considered illegal dumping. If you see this happening, please get the license plate number and contact the Police Department at 801-743-7000.
