COMMERCIAL INSPECTION CHECKLIST

Midvale City and all applicable agencies must approve the following structure and site, or portion thereof, before occupancy is allowed. It is the responsibility of the General Contractor/Owner to obtain such approvals prior to the final inspection. The agencies checked below must visit the job site and determine compliance with their regulatory requirements. This checklist must be completed and signed by authorized personnel from such agencies and presented to the Midvale City Building Inspector at the final inspection.

Failure to complete requirements and obtain necessary signatures will result in delayed final inspection and occupancy of the structure.
