Fireworks Stand - Application Check List

All appropriate fees and documents must accompany this application. A firework stand allows the sale of fireworks from a temporary location as defined by Midvale Municipal Code 8.06. The licensing fee is $100 plus $1000 bond (if stand is located outside). A firework stand license is valid between June 19th and July 26th. Please allow up to 30 days for processing.

DOCUMENTS REQUIRED AT TIME OF APPLICATION
(Please make all necessary copies and attach copies to application)

1. Proof of name/business registration issued by the Utah Department of Commerce. Businesses must register a business entity (D.B.A., trust, corporation, LLC etc.) with the Utah Department of Commerce. That agency is located at: Heber Wells Building 160 East 300 South, SLC., or online at: https://secure.utah.gov/account/log-in.html

2. Proof of Temporary State Sales Tax number. Business involved with the sale of tangible product must provide evidence of a State Sales Tax number. A State Sales Tax number can be obtained from the State Tax Commission at 210 N 1950 W, SLC, 801-530-4849.

3. Certificate of Insurance

4. Completed Midvale City Business License Application

5. Copy of a valid lease or written permission from the property owner allowing business to be conducted on the site.

6. Written permission granting use of an existing restroom facility on or nearby the property (must be within 500 ft)

7. A site plan, drawn to scale, showing the property and its existing features (i.e. buildings, parking stalls, drive aisles, sidewalks, fire hydrants); the exact location of the vendor in relation to buildings, sidewalks, roadways, driveways, fire hydrants and other important features on the property; all components of the business with sizes/dimensions (i.e. temporary structures, display area, fences, trash receptacle, parking stalls). Photographs and/or illustrations showing all components of the business (i.e. temporary structures, display area, fences, trash receptacle, signage). The site plan and photographs/illustrations need to include all information necessary to show compliance with the applicable zoning requirements listed below.

8. An electrical plan, if power is required for the business. Plan needs to show the power source, how it is connected to the temporary structures, how it is protected from the elements, wire size and location. If this is a new power source, an electrical permit must be obtained from the Midvale City Building Department. (If you have any questions, please contact the building official at 801.567.7210.)
ZONING REQUIREMENTS

The city shall not issue a business license for a seasonal firework stand unless all of the following requirements can be demonstrated as part of the business license application:

- The business must be located in the State Street Commercial (SSC), Regional Commercial (RC), Bingham Junction (BJ) – urban subareas only, Riverwalk – retail/office/flex subareas only, The Junction at Midvale – urban subareas only, or Jordan Bluffs – urban subareas only zone district.
- Location on Private Property. The business and any activity associated therewith must be located on private property and only as a secondary use to another primary commercial use. The business shall not be located on public property (including public sidewalks, public streets, public parking areas or other public places as defined by the city) or on vacant or residentially used property, regardless of the zoning district.
- Impervious Surface. The business must be located on a hard surface with no portion of the business located in a landscaped or non-improved area, with the exception of the display/retail area for cut trees (can be located on gravel surface).
- Setbacks. The business must be located a minimum of ten feet behind the inside edge of the public sidewalk (or 15 feet from the edge of the road right-of-way if no sidewalk exists); five feet from combustible walls, roof eave lines, awnings, etc.; ten feet from any building openings (i.e. doors, windows, vents, etc.); and five feet from a fire hydrant, driveway, handicapped parking space and loading area.
- Traffic Safety. The business location shall not impede auto and/or pedestrian traffic or create auto/pedestrian conflicts. Private sidewalk clear widths shall not be reduced below five feet and the itinerant business shall not interfere with the internal parking lot circulation.
- Parking. The site must have adequate parking to accommodate the primary uses(s) on site as well as any area used by the itinerant business. No part of the itinerant merchant business shall occupy required parking stalls for the primary use(s).
- Power. All electrical wiring must be in compliance with the National Electrical Code and approved by the Midvale City Building Department. Extension cords and generators are prohibited.
- Temporary Only. All aspects of the business shall be temporary in nature with no permanent facilities constructed on site, with the exception of the required permanent power source.
- Maintenance. The area around the business shall be kept clean and orderly. A trash receptacle shall be provided for patrons. The merchant is responsible to cleanup all trash, litter, spills, etc. within a minimum 20-foot radius of the business.
- Business Conduct. The business may not solicit or conduct business with persons in motor vehicles or use any flashing lights, noise, sound or other motion producing devices to attract attention to its operation.
- Regulatory Compliance. All applicable local and state regulations (i.e., food permit, tax numbers, registration, etc.) shall be met.
- Business License. All requirements of Title 5, Chapter 5.14 of the Midvale Municipal Code shall be met.
- * A minimum of five on-site parking stalls are required for a fireworks stand use.
- * Temporary stands, trailers and tents may be used for the business operation.
- * Stands shall be located at least 50 feet from any highly combustible materials, including liquid or gas storage and dispensing units and vehicles. A 50-foot wide area shall be delineated around the fireworks stand as a “no parking” area.
- * Signage must be attached to the temporary structure and shall not exceed 32 square feet per wall length. No flashing or animated lights or searchlights may be used. No off-site signage is allowed, including within the public right-of-way.
- * All requirements of Utah State Administrative Rule R710-2, Rules pursuant to the Utah Fireworks Act, shall be met to the satisfaction of Midvale City Fire Marshal.
- * Fireworks stands shall be put on site no sooner than two days before June 19th and shall be removed no later than five days after July 26th. The business shall not be conducted before 10am and after 10pm

The foregoing information is correct to the best of my knowledge. I am aware that this application does not authorize conducting business until approved by Midvale City and a license has been issued. I also agree to conduct said business strictly in accordance with the laws and ordinances covering such business, and that no other type of business will be conducted other than what has been stated above. **It is the responsibility of the licensee to renew the license, failure to receive notice does not excuse this responsibility.**
