NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF MIDVALE CITY, UTAH:

SECTION 1. Support the Imposition of the 0.25% Local Option General Sales Tax. The City Council supports the proposed 0.25% Local Option General Sales Tax that the Salt Lake County governing body may impose.

SECTION 2. Investment in the Road and Street Needs in Midvale City. The City has significant traditional transportation needs that the municipal 0.10% portion could address. For example, the City has a backlog of road maintenance projects such as (insert as much information about potential projects as city sees fit). Adoption of the municipal 0.10% portion would enable the City to invest in the critical projects that our residents need and expect.

SECTION 3. Active and Alternative Transportation Infrastructure Needs in Midvale City. The City has significant active and alternative transportation needs that the municipal 0.10% portion could address. For example, our residents need and are demanding improved sidewalks and safe pedestrian options, enhanced bike lanes, better connectivity with transit, more traffic calming devices, and other modern transportation infrastructure (insert information on potential projects as you see fit). Investment in active transportation will encourage residents to travel via walking, biking, and transit, and result in a healthier population, reduced emissions, decreased health care costs, and improved quality of life.

SECTION 4. Investment in Transit (if applicable). The City supports investment in public transit because transit can help relieve traffic, promote walkable communities, and improve air quality. The transit system will receive 0.10% of the 0.25% local option general sales tax. The City expects the transit system to use the revenues collected within the City or County for projects that will enhance local bus service, foster local and regional connectivity, and benefit our residents.

SECTION 5. Distribution of this Resolution. A copy of this resolution shall be sent to the Salt Lake County governing body, the regional Metropolitan Planning Organization (if applicable), the Utah League of Cities & Towns, the Utah Association of Counties, the Speaker of the Utah House of Representatives, the President of the Utah State Senate, State Representatives and Senators who represent the City, and the Governor of the State of Utah.

APPROVED AND ADOPTED this 15th day of May 2018.
