By the date specified in the Schedule of Development, the RDA shall review the proposed Architect Contract and notify the Developer that it either approves or disapproves it, such approval not to be unreasonably withheld so long as such documents comply with the requirements in this Section 3.1.

(d) In the event that the Developer designates its proposed Architect and provides a proposed Architect Contract by the dates specified in the Schedule of Development and the RDA thereafter does not approve the proposed Architect or the Architect Contract within the time periods specified in the Schedule of Development, and the Parties are unable to resolve any differences within the thirty (30) day period after the date the RDA gives notice that the proposed Architect or the proposed Architect’s Contract is not approved (whichever comes last), then either Party may terminate this Agreement, the RDA shall refund the Earnest Money to Developer and the Parties shall thereafter have no further obligations hereunder.

By the date specified in the Schedule of Development, the RDA shall review the proposed Construction Contract and notify the Developer that it either approves or disapproves it, such approval not to be unreasonably withheld so long as such documents comply with the requirements in this Section 3.2.

(a) The right of the Developer to purchase the Property is subject to the condition precedent that the RDA shall have determined that the Developer has obtained one or more loans to finance a portion of the costs of the construction of the Developer Improvements and has obtained sufficient equity funding such that the Developer will be able to timely complete the Developer Improvements, such determination not to be unreasonably withheld (collectively, the "Construction Financing").
(b) Without limiting the generality of the RDA's review rights, the Developer agrees that the Construction Financing shall require that the RDA shall have approved the construction budget (uses and sources) and that each disbursement shall be either as specified in such construction budget or approved by the RDA, such approval not to be unreasonably withheld. In addition, the documents evidencing the Construction Financing must provide that (i) the construction deed of trust will be subordinate to each of the Development Agreement, the Option to Repurchase Agreement and the ROFO, and (ii) in the event of a default by the Developer, they may be assigned and assumed by an assignee of the RDA or purchased at par (with no prepayment premium) by the RDA or an assignee of the RDA, and that the RDA is an intended third party beneficiary of such obligations.

(c) By the date specified in the Schedule of Development, the Developer shall provide the term sheets or written commitments from the Developer's lender and any third party equity partners (which shall conform to the requirements specified in this section). If the Construction Lender requires as a condition to its loan that the parties enter into an agreement which provides the Construction Lender with rights of notice and cure prior to the exercise of any rights by the RDA, the RDA, Developer and Construction Lender shall use their best efforts to negotiate such agreement. By the date specified in the Schedule of Development, the RDA shall review the proposed term sheets or written commitments and notify the Developer that it either approves or disapproves them, such approval not to be unreasonably withheld so long as such documents comply with the requirements in this Section 3.3. By the date specified in the Schedule of Development, the RDA shall notify the Developer that it either approves or disapproves the proposed final loan documents and the proposed final equity documents that constitute the Construction Financing, and such rights of notice and cure. Once such final documents have been approved by the RDA, they shall be referred to herein as the "Construction Financing Documents").

(d) In the event that the Developer has provided a construction budget, the proposed Construction Financing and the proposed Construction Financing Documents in accordance with the procedures set forth in this Section 3.3 and the RDA thereafter does not approve the same, or modifications of the same, within the time periods specified in the Schedule of Development, and the Parties are unable to resolve any differences within the thirty (30) day period after the date the RDA gives notice that the proposed construction budge, the proposed Construction Financing or the proposed Construction Financing Documents is not approved (whichever comes last), then either Party may terminate this Agreement by notice to the other Party, in which event the RDA shall be required to refund the Earnest Money to Developer and the Parties shall thereafter have no further obligations hereunder.

3.4 Developer Team. The right of the Developer to purchase the Property is subject to the condition precedent that the RDA shall have reviewed and approved the organizational structure and managers and members of the development team for the Project (including the proposed equity and debt funding participants of the Developer, although the Developer need not disclose the identity of its equity members should such members prohibit the same) by the date
specified in the Schedule of Development ("Developer Team"), such approval not to be unreasonably withheld. The Developer agrees to provide information regarding the Developer Team that is reasonably requested by the RDA. In the event that the Developer has provided the information specified in this Section 3.4 and the RDA thereafter does not approve the same, or modifications of the same, within the time periods specified in Exhibit D, either Party may terminate this Agreement by notice to the other Party, in which event the RDA shall be required to refund the Earnest Money to Developer and the Parties shall thereafter have no further obligations hereunder.

(xv) the location and description of pedestrian and exterior lighting,

(xvi) a detailed landscape plan showing the size and location of all plant materials to be installed in the common areas, the adjacent public sidewalks, and otherwise in connection with the Developer Improvements, and

(xvii) the design and location of both storm water detention and ground water mitigation facilities.

The Design Development Drawings shall be a refinement of and consistent with the approved Schematic Design Drawings. If the Design Development Drawings comply with the requirements of this subsection (c), the RDA shall not unreasonably withhold its approval.

If the Developer desires to include within the Design Development Drawings any element that reflects a change to what was shown on the approved Schematic Design Drawings, then at the time they are submitted the Developer must specifically describe such element and such change in detail and in writing so that the RDA can understand the nature of such proposed change. The RDA shall not be obligated to approve such new element in the Design Development Drawings if and to the extent that the RDA would not have been required to approve such element if it had been included in the Schematic Design Drawings originally.

(d) **Final Construction Documents.** By the date set forth in the Schedule of Development, the Developer shall prepare and submit to the RDA for its approval the final construction documents for the Developer Improvements, which shall include:

(i) all drawings, specifications and related documents necessary for construction and completion of the Developer Improvements in accordance with
the requirements of this Agreement and in sufficient detail to obtain a building permit, and

(ii) samples of all exterior materials that the Developer proposes to use.

The final construction documents, together with such samples, shall be referred to herein as the "Final Construction Documents".

The Final Construction Documents shall be a refinement of and consistent with the approved Design Development Drawings and each subsequently approved document. If the Final Construction Documents comply with the requirements of this subsection (d), the RDA shall not unreasonably withhold its approval.

If the Developer desires to include within the Final Construction Documents any element that reflects a change to what was shown on the approved Design Development Drawings, then at the time they are submitted the Developer must specifically describe such element and such change in detail and in writing so that the RDA can understand the nature of such proposed change. The RDA shall not be obligated to approve such new element in the Final Construction Documents if and to the extent that the RDA would not have been required to approve such element if it had been included in the Design Development Drawings originally.

(e) Design Review Committee. The Developer agrees that each of the Schematic Design Drawings, the Design Development Drawings and the Final Construction Documents shall be reviewed by and is subject to the approval of the Design Review Committee.

(f) Preparation of Submissions and Reviews. All documents shall be in such form and with such detail, including size and scale, as the RDA shall prescribe, including without limitation in a compatible electronic format as specified by the RDA. During the preparation of such documents, the RDA and the Developer shall hold progress meetings as needed to coordinate the preparation of, submission to, and review of such documents by the RDA. The staff of the RDA and the Developer shall communicate and consult informally as frequently as is necessary to ensure that the formal submittal of such documents to the RDA can receive prompt consideration. Provided that the submissions by the Developer are made timely and are complete, and are consistent with the requirements set forth herein, the RDA shall approve or disapprove of [the Basic Concept Drawings,] the Schematic Design Drawings, the Design Development Drawings and the Final Construction Documents within the respective times set forth in the Schedule of Development.

(g) Compliance with Applicable Requirements. The Final Construction Documents shall comply with all Applicable Requirements. In addition, the Final Construction Documents shall contain such provisions as are necessary for the Architect to issue the LEED Certificate required by Section 3.5 of the Development Agreement.
(h) **Disapprovals.** Failure by the RDA to either approve or disapprove any submission within the time established in the Schedule of Development shall be deemed disapproval. In the event of a disapproval by the RDA, the RDA shall specify in reasonable detail the basis for the disapproval. The Developer, upon receipt of a notice of disapproval, shall promptly revise such submission and resubmit it to the RDA as soon as possible after receipt of such notice.

(i) **Modifications to the Developer Improvements and the Site Plan.** In the preparation of the Final Construction Documents, the Developer may make minor modifications to the description of the initial Developer Improvements and to the initial Site Plan, so long as no such modification constitutes a Material Change. The Developer shall provide the RDA with written notice of any such minor modification, including without limitation any changes specified by the City’s Building Services and Licensing Department. The Developer shall not make any Material Change to the initial Developer Improvements or the initial Site Plan without the approval of the RDA, which approval may be given or withheld in the RDA’s sole discretion. In connection with, and as a condition to, the RDA’s approval of the Final Construction Documents, the Parties shall add the revised Developer Improvements and the revised Site Plan to the form of the Development Agreement.

(j) **RDA Not Liable.** The Developer shall be solely responsible for errors and omissions in the Design and Construction Documents, change orders thereto, and shop drawings and other submittals interpreting them and for their accuracy, suitability, technical adequacy, and compliance with Applicable Requirements. The RDA’s reviews and approvals of all or any portion of the Design and Construction Documents are solely for the purpose of determining the general conformance of the Developer Improvements with the original design concept or intent, and shall not constitute an opinion or agreement by the RDA that the Developer Improvements are structurally or otherwise sufficient or that the Design and Construction Documents are accurate or in compliance with Applicable Requirements, nor shall such approval impose any present or future liability on the RDA or waive any of the RDA’s rights hereunder. The Developer shall be solely responsible for structural and other defects in the Developer Improvements and compliance with all Applicable Requirements.

(k) **Termination.** In the event that the Developer has provided its proposed Schematic Design Drawings, its proposed Design Development Drawings and its proposed Final Construction Documents in accordance with the procedures set forth in this Section 3.5 and the RDA thereafter does not approve the same, or modifications of the same, within the time periods specified in Exhibit D, either Party may terminate this Agreement by notice to the other Party, in which event the RDA shall be required to refund the Earnest Money to Developer and the Parties shall thereafter have no further obligations hereunder.
SECTION 4: Conditions Precedent to Purchase of the Property

4.1 Due Diligence. The Developer shall determine whether or not the Property is satisfactory to the Developer in accordance with the following provisions:

(a) General Review. During the Due Diligence Period, the Developer may make such investigations and inspections of the Property as Developer deems necessary or acceptable, in the Developer’s sole discretion and at the Developer’s sole expense. In connection with such investigations and inspections, the Developer, and its employees, agents, consultants and contractors, shall, subject to subsections (e) and (f) below, have the right to enter upon the Property and inspect and conduct such assessments, investigations, reviews, studies, tests and analyses of the Property, as the Developer deems necessary or acceptable, in the Developer’s sole discretion and at Developer’s sole expense.

(b) Title and Survey Matters. During the Due Diligence Period, the Developer may review the Title Commitment and all exception documents referred to therein and any surveys it obtains at its expense.

(c) Outdoor Dining. During the Due Diligence Period, the Developer shall apply to the City for an agreement to allow the use of a portion of the public right of way adjoins the Property for outdoor dining, with specific terms and conditions that are acceptable to the Developer in its sole discretion (the “Outdoor Dining Agreement”). The Developer acknowledges that it understands that the RDA has no involvement in the approval of the Outdoor Dining Agreement.

(d) Environmental Investigations. During the Due Diligence Period, and subject to the “Confidentiality” subsection below, the Developer may make such investigations and inspections of the Property relating to environmental matters as Developer deems necessary or acceptable, in Developer’s sole discretion and at Developer’s sole expense, including but not limited to, the performance of phase I environmental site assessments, and conducting of other tests or investigations of or on the Property (collectively, “Environmental Tests”). The Developer shall cause such Environmental Tests to be conducted in strict accordance with applicable laws, regulations, and ordinances applicable to the Property. Prior to conducting any Environmental Tests on the Property, if any applicable laws, regulations or ordinances require permits, approvals, or consents from any governmental entity or agency, Developer shall obtain the requisite permits, approvals and consents. If the Developer desires to conduct any invasive procedures (a phase II environmental site assessment, soil sampling, etc.), Developer agrees to enter into a separate agreement with the RDA with respect to any such matters.

(e) Responsibilities. The Developer shall indemnify, defend and hold the RDA harmless from any and all damages, claims, liabilities, expenses (including reasonable attorneys’ fees), penalties, and fines arising out of or as a result of any testing and inspection of the Property performed by the Developer, its agents, consultants,
contractors and/or their subcontractors, provided Developer shall have no obligation, responsibility or liability under this provision with respect to any damages, claims, liabilities, expenses (including reasonable attorneys' fees), penalties or fines arising out of or as a result of the negligence or willful conduct of the RDA.

(f) **Confidentiality.** The Developer shall keep confidential any environmental inspections and resulting reports regarding the Property. The results of the Developer's inspections relating to Hazardous Material shall be initially orally reported to the Developer and the RDA or their respective attorneys by the Developer’s consultants. Such reports shall be reduced to writing and marked “draft”. The Developer shall deliver to the RDA as soon as they are made available to the Developer, copies of all reports and analyses prepared or used in connection with the Developer’s environmental inspection of the Property. No information or contents of any environmental reports or analyses (verbal or written), nor the results of any inspection of the Property for Hazardous Material shall be disclosed by the Developer or its agents, consultants, or employees to any third party without the RDA's prior written approval, unless and until the Developer is legally compelled to make such disclosure under Applicable Requirements, or until the Developer completes its purchase of the Property pursuant to this Agreement. If the Developer determines that it is legally compelled to disclose such information, then it shall first notify the RDA of the circumstances requiring such disclosure and, to the extent the Developer believes it may do so without liability or damage to reputation, refrain from such disclosure for the maximum period of time allowed by law so that the RDA may procure a protective order or take other action to protect the confidentiality of the information. The Developer shall notify its agents, employees, and consultants of the need to comply with the terms of this Section 4.1. If this Agreement is terminated for any reason, then the Developer shall, upon receipt from the RDA of a customary non-reliance letter, immediately deliver to the RDA any and all documents, plans, and other items furnished to the Developer, the Developer’s consultants or the RDA or any reports or analyses obtained pursuant to this Section 4.1. All studies, data, reports, analyses, writings, and communications, including any environmental studies or reports, shall be generated by any consultant for the use of the Developer’s and the RDA’s attorneys and, to the fullest extent permitted by law, shall be the work product of both the Developer’s and the RDA’s respective attorneys and shall constitute confidential attorney-client communications and each Party shall use its best efforts to ensure that such confidence and privilege are maintained.

If the Developer approves the Property following the investigations specified in subsections 4.1(a), (b), (c) and (d), the Developer shall give the RDA notice of such approval, no later than the Due Diligence Period Expiration Date.

4.2 **Conditions Precedent to Purchase of the Property.** The Developer’s right to purchase the Property is subject to the satisfaction, at no expense or liability to the RDA, of the following additional conditions:

(a) **Review.** The Developer shall have given the RDA written notice that the Developer has approved the Property pursuant to Section 4.1 above.
(b) **Architect Contract.** The RDA shall have approved the Architect Contract pursuant to Section 3.1 above.

(c) **Construction Contract.** The RDA shall have approved the Construction Contract pursuant to Section 3.2 above.

(d) **Construction Financing Documents.** The RDA shall have approved the Construction Financing Documents pursuant to Section 3.3 above.

(e) **Developer Team.** The RDA shall have approved the Developer Team pursuant to Section 3.4 above.

(f) **Final Construction Documents.** The RDA shall have approved the Final Construction Documents pursuant to Section 3.5 above.

(g) **Litigation.** No litigation, arbitration, governmental administrative proceeding or investigation prohibiting the RDA from conveying the Property to the Developer or restricting the RDA's ability to perform its obligations under this Agreement, shall be pending or threatened as of the Closing Date.

(h) **No Material Adverse Change.** There shall have been no material adverse change to the condition of the Property.

(i) **RDA Event of Default.** There shall not be an RDA Event of Default.

4.3 **Failure of a Condition: No Obligation of the RDA.** The RDA does not guarantee, warrant, or represent that any of the conditions set forth in Section 4.2 shall be or can be satisfied. Furthermore, the RDA shall incur no liability or expense in connection with the Developer's ability or inability to satisfy any of such conditions, nor shall the RDA be obligated to take any action, except as otherwise expressly provided herein. The Developer agrees that any expenditure, commitment, or other action taken by it pursuant to this Agreement or prior to its execution of this Agreement, or otherwise in contemplation of the Closing, has been and/or is taken at its own risk, and no such expenditure, commitment, or action shall obligate the RDA to incur any liability to the Developer or any third party, against which the Developer expressly indemnifies the Covered Parties.

4.4 **Termination Upon Failure of Section 4.2 Conditions.** If each of the conditions specified in Section 4.2 has not been satisfied (or waived by the Developer) by the date that is specified herein for such condition precedent, then this Agreement may be terminated by either Party upon ten days' notice to the other Party, in which case the RDA shall return the Earnest Money to the Developer, and neither Party shall have any further obligations or liability to the other Party.

4.5 **Early Termination.** During the Due Diligence Period, the Developer shall use its best efforts to sign bona fide letters of intent with at least two Eligible Tenants and deliver the same to the RDA. If the Developer does not deliver such letters of intent by the Due Diligence Period Expiration Date, then this Agreement may be terminated by either Party upon notice to
the other Party, in which case the RDA shall return the Earnest Money to the Developer, and neither Party shall have any further obligations or liability to the other Party. In addition, if the Developer does not deliver the Schematic Design Drawings to the RDA by Due Diligence Period Expiration Date, then this Agreement may be terminated by the RDA upon notice to the Developer, in which case the RDA shall return the Earnest Money to the Developer, and neither Party shall have any further obligations or liability to the other Party. The Parties agree that the Developer shall not have the right to cure the failure to deliver the required letters of intent and the Schematic Design Drawings by the Due Diligence Period Expiration Date.

SECTION 5: **Conditions Precedent to the RDA’s Obligations**

5.1 **Conditions Precedent.** The RDA’s obligation to sell the Property is subject to the satisfaction (or the RDA’s waiver), at no expense or liability to the Developer, of the following conditions precedent:

(a) **Architect Contract.** The RDA shall have approved the Architect Contract pursuant to Section 3.1 above.

(b) **Construction Contract.** The RDA shall have approved the Construction Contract pursuant to Section 3.2 above.

(c) **Construction Financing Documents.** The RDA shall have approved the Construction Financing Documents pursuant to Section 3.3 above.

(d) **Developer Team.** The RDA shall have approved the Developer Team pursuant to Section 3.4 above.

(e) **Final Construction Documents.** The RDA shall have approved the Final Construction Documents pursuant to Section 3.5 above.

(f) **Assignments.** The RDA shall have approved the assignments from the Developer to the RDA of the Architect Contract, the Construction Financing Documents, the Construction Contract, and the subcontracts under the Construction Contract.

(g) **Construction Financing Closing.** The Developer shall have provided satisfactory written evidence to the RDA that all conditions precedent to the closing of the Construction Financing (including, without limitation, the funding of the required equity contributions) shall have been satisfied, and that the Developer’s lender is ready to close on the Construction Financing in connection with the Closing hereunder.

(h) **Requirements under the Development Agreement.** The Developer shall have provided written evidence to the RDA that the Developer has satisfied all of the conditions set forth in Section 2 of the Development Agreement required for the commencement of the construction of the Developer Improvements.

(i) **Representations and Warranties.** All representations and warranties of the Developer shall be true and correct as of the date made and as of the Closing Date with
the same effect as if though the representations and warranties were made as of the Closing Date.

(j) Litigation. No litigation, arbitration, governmental administrative proceeding or investigation prohibiting the RDA from conveying the Property to the Developer or restricting the RDA’s ability to perform its obligations under this Agreement, which the RDA believes is likely to result in the RDA not prevailing, shall be pending or threatened as of the Closing Date.

5.2 Termination Upon Failure of Certain Conditions. In the event that each of the conditions specified in Subsections 5.1(g), (h) and (i) has not been satisfied (or waived by the RDA) by the date that is specified herein for such condition precedent, then this Agreement may be terminated by either Party upon ten days’ notice to the other Party, in which case the Earnest Money shall not be returned to the Developer, and neither Party shall have any further obligations or liability to the other Party.

5.3 Termination Upon Failure of Other Conditions. In the event that each of the conditions specified in Subsections 5.1 (a), (b), (c), (d), (e), (f) and (j) has not been satisfied (or waived by the RDA) by the date that is specified herein for such condition precedent, then this Agreement may be terminated by either Party upon ten days’ notice to the other Party, in which case the RDA shall return the Earnest Money to the Developer, and neither Party shall have any further obligations or liability to the other Party.

5.4 No Right to Extensions. The Developer acknowledges and agrees that the deadlines for satisfying the conditions precedent set forth herein and in the deadlines for satisfying the requirements set forth in the Schedule of Development are realistic and that the Developer anticipates being able to meet all such deadlines. The Developer understands that it is not entitled to an extension of any such deadline, and that if the Developer requests that the RDA consider any such extension, the Developer agrees that the RDA may decide to grant, modify, or decline such request, in the RDA’s sole discretion. The Developer confirms that by giving the Developer the time specified for the satisfaction of any particular requirement, the RDA has taken the Property off the market and prevents the RDA from pursuing other options during such time, and therefore the RDA is entitled to decline any such request without having to prove that declining such request is reasonable under the circumstances. The Developer acknowledges that the RDA does not have the burden of proof to show that declining such request was reasonable; the Developer’s mere failure to satisfy all of the requirements (due to any reason) shall be all that is necessary for the RDA to terminate the Development Agreement and exercise its right to purchase the Property as provided in the Option to Repurchase Agreement.

SECTION 6: Closing

6.1 Title Company. Promptly following the execution of this Agreement, the RDA shall open an escrow with the Title Company. A copy of this Agreement shall be provided to the Title Company to advise the Title Company of the terms and conditions hereof and the RDA shall seek the Title Company’s acceptance as provided at the end of this Agreement. Prior to the Closing, the Developer and the RDA shall give separate written closing instructions to the Title
Company (with a copy sent concurrently to the other Party) which instructions shall be consistent with the provisions of this Agreement.

6.2 Outside Closing Date. The Closing hereunder shall take place on a date (the “Closing Date”) reasonably selected by the Developer that is on or before the Outside Closing Date.

6.3 Prorations. Normal prorations of taxes and related items shall be made at the Closing. If the Closing occurs before the tax rate is fixed for the then current year, then the proration of taxes shall be based upon taxes for the prior year and adjusted for the year of the Closing within a reasonable time after they become finally determined for such year.

6.4 Costs and Title Policy. The RDA shall pay the cost of recording the documents that need to be recorded as part of the Closing. Any escrow fees and additional recording fees shall be paid equally by the Parties. The RDA shall pay the cost of the premium for a standard form owner’s policy of title insurance. If the Developer elects extended coverage, the Developer shall pay the difference between the title insurance premium for standard coverage and the title insurance premium for extended coverage. The Developer shall pay the costs of any endorsements requested by the Developer. In addition, if the Closing does not occur as a result of any reason other than an RDA Event of Default, the Developer shall pay cancellation charges in connection with the Title Commitment. The RDA shall deliver all affidavits and indemnifications against mechanic’s and materialmen’s and other similar liens requested by the Title Company to eliminate the standard printed mechanic’s lien exception from the standard owner’s policy of title insurance.

6.5 Items to be Delivered by the RDA at the Closing. At the Closing, the RDA shall deliver, or cause to be delivered, to the Developer each of the following items:

   (a) The Deed, duly executed and acknowledged by the RDA, and in form for recording, conveying fee simple title to the Property to the Developer, subject only to the Permitted Exceptions.

   (b) A standard owner’s title policy.

   (c) The Development Agreement, duly executed and acknowledged by the RDA.

   (d) The Option to Repurchase Agreement, duly executed and acknowledged by the RDA.

   (e) The ROFO, duly executed and acknowledged by the RDA.

   (f) The Settlement Statement, approved by the RDA.

6.6 Items to be Delivered by the Developer at the Closing. At the Closing, the Developer shall deliver, or cause to be delivered, to the RDA each of the following items:
(a) The Purchase Price by wire transfer, as such amount is adjusted as shown on the Settlement Statement.

(b) The Development Agreement, duly executed and acknowledged by the Developer.

(c) The Option to Repurchase Agreement, duly executed and acknowledged by the Developer.

(d) The ROFO, duly executed and acknowledged by the Developer.

(e) The Guaranty, duly executed by the Guarantor(s).

(f) The assignments required by Section 5.1 above, subject in each case to the rights of the Developer's lender as specified in the Construction Financing.

(g) The Settlement Statement, approved by the Developer.

6.7 Recording Order. The Development Agreement and the Option to Repurchase Agreement and the ROFO shall be recorded immediately after the Deed in that order, and prior to any deed of trust securing the Construction Financing.

6.8 Possession. Possession of the Property shall be delivered to the Developer by the RDA at the Closing.

SECTION 7: Other Provisions

7.1 Representations of the Developer. The Developer represents and warrants, as of the date this Agreement is fully executed and as of the Closing Date, that the Developer has taken all action required by law, and all required action under its governing documents necessary to authorize the Developer to enter into this Agreement and to carry out its obligations hereunder.

7.2 No Representations as to the Property. The Developer hereby affirms that the RDA, its agents, employees, and/or attorneys have not made, nor has the Developer relied upon any representation, warranty, or promise with respect to the Property or any other subject matter of this Agreement except as expressly set forth in this Agreement and/or the Deed, including, without limitation, any warranties or representations, express or implied, as to matters of title or the existence of any easements or other encumbrances, the general plan designation, zoning, value, use, tax status or physical condition of the Property, or improvements thereon, or any part thereof, including but not limited to the flood elevations, drainage patterns and soils and subsoils composition and compaction level, and other conditions at the Property, or the existence or non-existence of Hazardous Material or any other environmental condition on or under the Property or adjacent property, or as to the accuracy of any boundary survey or other survey or any soils reports or other plans or reports therefor. Without limiting the generality of the foregoing, and except for the warranties and covenants set forth in the Deed, the Developer is purchasing the Property from the RDA in an "AS IS", "WHERE IS" CONDITION, SUBJECT TO "ALL
FAULTS”, INCLUDING BUT NOT LIMITED TO BOTH LATENT AND PATENT DEFECTS, AND THE EXISTENCE OF HAZARDOUS MATERIAL. EXCEPT AS OTHERWISE PROVIDED IN THE DEED, THE DEVELOPER HEREBY WAIVES ALL WARRANTIES, EXPRESS OR IMPLIED, REGARDING THE TITLE, CONDITION, AND USE OF THE PROPERTY, INCLUDING, BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

7.3 Developer’s Indemnity. The Developer hereby indemnifies, holds harmless, and agrees to defend the Covered Parties from and against all damages, expenses (including, without limitation, reasonable attorneys’ fees and reasonable investigative and discovery costs), liabilities, judgments and other claims (“Claims”) on account of injury to persons, loss of life, or damage to property occurring on the Property and/or incurred as a result of or arising out of:

(a) with respect to events occurring during the period from the date of this Agreement until the Closing Date, (i) the active or passive negligence or willful conduct of the Developer, and its agents, servants, and employees, and (ii) the breach of any of the Developer’s obligations hereunder, and (iii) any necessary or appropriate investigation, repair, cleanup, remediation, or detoxification of the Property and other affected property and the preparation of any corrective action, closure, or other required plans or reports, to the full extent that such actions are alleged to be attributable, directly or indirectly, to the presence or use, generation, storage, release, threatened release, or disposal of Hazardous Material in violation of applicable environmental laws by the Developer or its agents and relate to or involve the Property, specifically excluding, however, all Claims incurred in a material way as a result of or arising out of (1) the gross negligence or willful conduct of the RDA and its agents, servants, and employees, or (2) the breach of the RDA’s obligations hereunder, and

(b) with respect to events occurring during the period from the Closing Date through the completion of the Developer Improvements under the Development Agreement, the condition and use of the Property.

7.4 No Commissions. Each of the RDA and the Developer represents that it has not entered into any written contracts with any brokers or finders nor obligated themselves to pay any real estate commissions or finders’ fees on account of the execution of this Agreement or the close of the transaction contemplated hereby. Based on such representations, the Developer and the RDA hereby agree to indemnify and hold each other harmless from any claims, damages, expenses, liabilities, liens, or judgments (including costs, expenses, and attorneys’ fees in defending the same) which arise on account of any claim made against the indemnifying party that real estate commissions or finders’ fees (including those identified above) are payable and have not been discharged in their entirety.

7.5 Condemnation. If any material portion of the Property is condemned or access thereto is taken prior to the Closing Date, and the Developer reasonably concludes that the taking renders the Property unsuitable for the development contemplated by the Development Agreement and the Developer so notifies the RDA in writing promptly after learning of such condemnation action, then this Agreement shall terminate. If this Agreement is not terminated
pursuant to the preceding sentence, the Purchase Price shall not be affected, it being agreed that if the award is paid prior to the Closing Date, such amount shall be held in escrow and delivered to the Developer at the Closing, and if the award has not been paid before the Closing Date, then at the Closing the RDA shall assign to the Developer all of its right, title, and interest with respect to such award.

7.6 **Developer Event of Default.** IN THE EVENT OF A DEVELOPER EVENT OF DEFAULT OR IN THE EVENT THE CONDITIONS PRECEDENT DESCRIBED IN SECTIONS 4 AND 5 HEREIN HAVE BEEN SATISFIED OR WAIVED, AND THE DEVELOPER FAILS TO CLOSE THE TRANSACTION AS PROVIDED FOR HEREIN, IT IS AGREED THAT THE RDA MAY TERMINATE THIS AGREEMENT AND RETAIN THE EARNEST MONEY. The RDA hereby waives any right to seek specific performance or to recover any other damages or sums from the Developer; provided, however, this Section in no way limits the Developer's potential liability for attorney's fees or for the indemnity obligations set forth in this Agreement, or for the breach of other agreements contained herein other than the agreement to close.

7.7 **RDA Default.** In the event of an RDA Event of Default, the Developer shall, as the Developer’s sole remedy, either seek specific performance or a refund of the Earnest Money. In no event shall the RDA be liable to the Developer for any damages or any other amount, except as otherwise provided in Section 8.5 (Attorney’s Fees).

7.8 **Reports.** In the event the transaction contemplated herein fails to close for any reason, at the request of the RDA, the Developer shall, upon receipt from the RDA of a customary non-reliance letter, deliver to the RDA, at no cost to the RDA, copies of all environmental, soils, and hydrology studies and reports prepared in connection with this transaction or otherwise pertaining to the Property which were prepared for or on behalf of the Developer, the RDA, or any third party, but in no event any marketing or financial information related to the Developer. Notwithstanding the foregoing, if the RDA purchases the Property pursuant to the Option to Repurchase Agreement, then the provisions regarding payment for any such studies and reports shall govern.

**SECTION 8: Other Agreements**

8.1 **Notices.** All notices, requests, demands, and other communications hereunder shall be in writing and shall be given by (i) Federal Express (or other established express delivery service which maintains delivery records), (ii) hand delivery, or (iii) certified or registered mail, postage prepaid, return receipt requested, to the Parties at the following addresses, or other such addresses as the Parties may designate from time to time by written notice in the above manner:

8.4 Number and Gender of Words. Whenever herein the singular number is used, the same shall include the plural where appropriate, and words of any gender shall include each other gender where appropriate.

8.5 Attorney's Fees. If a Party commences a legal or equitable proceeding to enforce any of the terms of this Agreement, then the prevailing Party in such action shall have the right to recover reasonable attorneys' fees and actual costs from the other Party. The term "legal proceedings" as used above shall be deemed to include appeals from a lower court judgment and it shall include proceedings in the Federal Bankruptcy Court, whether or not they are adversary proceedings or contested matters.

8.6 Governing Law. This Agreement and all transactions contemplated hereunder and/or evidence hereby shall be governed by, construed under, and enforced in accordance with the internal laws of the State of Utah without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Utah or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than Utah.

8.7 Venue. The Parties hereby agree that all actions to enforce the terms and provisions of this Agreement shall be brought and maintained only within the State of Utah and the Developer hereby consents to the exclusive jurisdiction of any court within the State of Utah.

8.8 Amendments. This Agreement may be amended or supplemented only by an instrument in writing, executed by both the RDA and the Developer.
8.9 **Severability.** If any provision of this Agreement is held to be illegal, invalid, or unenforceable under present or future laws, such provision shall be fully severable; this Agreement shall be construed and enforced as if such illegal, invalid, or unenforceable provision had never comprised a part of this Agreement; and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance from this Agreement.

8.10 **Multiple Counterparts.** This Agreement may be executed in a number of identical counterparts. If so executed, each of such counterparts is to be deemed an original for all purposes, and all such counterparts shall, collectively, constitute one agreement, but, in making proof of this Agreement, it shall not be necessary to produce or account for more than one such counterpart.

8.11 **Further Acts.** In addition to the acts and deeds recited herein and contemplated to be performed, executed, and delivered by the Parties, the Parties agree to perform, execute, and deliver or cause to be performed, executed, and delivered at the Closing or after the Closing any and all such further acts, deeds, and assurances as may be reasonably necessary to consummate the transactions contemplated hereby.

8.12 **Survival.** Except as otherwise provided for herein, all agreements, covenants, representations and warranties contained herein shall survive the expiration or termination of this Agreement and the performance by the Developer of its obligations hereunder.

8.13 **Conflict of Interest.** In accordance with the Municipal Officers' and Employees' Ethics Act (Utah Code Ann. § 10-3-1301 to 1312), the developer represents that none of its officers, employees, or agents are officials, officers, or employees of the Agency, unless disclosure has been made in accordance with the Agency's ordinances and policies. Further, the developer certifies that it has not offered or given any gift or compensation prohibited by local, state, or federal law, to an official, officer, or employee of the Agency to secure favorable treatment with respect to being awarded this Agreement.

8.14 **Nonliability of RDA Officials and Employees.** No member, official, or employee of the RDA shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the RDA or for any amount which may become due to the Developer or its successor or on any obligation under the terms of this Agreement.

8.15 **Binding Effect.** This Agreement is binding upon and inures to the benefit of the Parties and their respective successors and assigns. If Developer is now or is ever composed of more than one party, the obligations and warranties contained herein and arising therefrom are and shall be joint and several as to each such party.

8.16 **No Relationship.** Nothing contained in this Agreement, nor any acts of the Parties shall be deemed or construed to create the relationship of principal and agent or of limited or general partnership or of joint venture or of any other similar association between the RDA, its successors or assigns, or the Developer, its successors or assigns.

Guaranty

GUARANTY OF COMPLETION AND PERFORMANCE

This Guaranty of Completion and Performance (this “Guaranty”) is made as of _____________, 20__, by _______________, (the “Guarantor”) to and for the benefit of the Redevelopment Agency of Midvale City, its successors and assigns (the “RDA”).

1. Development Agreement. The RDA and ______________, L.L.C. a Utah limited liability company (the “Developer”), entered into that certain Purchase Agreement for Development of Land dated as of ____________, 20__ (the “Purchase Agreement”) pursuant to which the RDA has agreed, upon the satisfaction of certain conditions, to sell to the Developer certain real property in Salt Lake County described therein (the “Property”). Pursuant to the Purchase Agreement, the RDA and the Developer entered into a Development Agreement on or about the date hereof (the “Development Agreement”) in which the Developer covenants for the benefit of the RDA to complete certain improvements on the Property (as defined therein, the “Developer Improvements”). As a condition to the RDA selling the Property to the Developer, the RDA has requested that the Guarantor, which owns [100%] of the beneficial ownership of the Developer, duly execute and deliver this Guaranty guaranteeing completion of the construction of the Developer Improvements and the performance of other covenants which are all considered by the RDA to be material regarding the RDA’s decision to sell the Property to the Developer. For the purposes of this Guaranty, the preceding and following capitalized terms shall have the meanings specified or referenced in the Development Agreement to the extent that they are not already defined herein.

2. Guaranty. The Guarantor hereby unconditionally and absolutely warrants and guarantees to the RDA that: (a) construction of the Developer Improvements shall be commenced and shall be substantially completed within the time limits set forth in the Development Agreement; (b) the Developer Improvements shall be constructed and completed in accordance with the Development Agreement and the Design and Construction Documents (as such term is defined in the Development Agreement) without material deviation therefrom unless permitted by the Development Agreement or approved by the RDA in writing in accordance with the Development Agreement; (c) except as otherwise provided in the Development Agreement, the Developer Improvements will be constructed and completed free and clear of all liens and encumbrances, including, without limitation, all mechanics liens, materialmen’s liens, and other similar liens (provided, however, it shall not be a breach of the Guarantor’s warranties and guarantees if a lien or encumbrance is filed against the Developer Improvements and Developer and/or the Guarantor expeditiously pays or, if disputed, either bonds or provides another reasonable and customary form of security for the payment of the lien during the time any such dispute is pending); and (d) except for contested amounts, as to which adequate assurance of
payment is provided, all costs of constructing the Developer Improvements will be paid when due.

3. **Nature of Guaranty.** This Guaranty is an original and independent obligation of the Guarantor, separate and distinct from Developer’s obligations to the RDA under the Development Agreement. The obligations of the Guarantor to the RDA under this are direct and primary, regardless of the validity or enforceability of the Development Agreement. This Guaranty is for the benefit of the RDA, and is not for the benefit of any third party. This Guaranty shall continue (a) until the Developer Improvements have been completed, free and clear of all liens and encumbrances as provided above and (b) all obligations of the Guarantor to the RDA have been performed in full.

4. **Guarantor’s Authorization to RDA.** The Guarantor authorizes the RDA, without notice or demand and without lessening the Guarantor’s liability under this Guaranty, from time to time: (a) to make or approve changes to Construction Documents and the Development Agreement and (b) grant extensions of time under the Construction Documents and the Development Agreement; provided, however, that if the RDA makes any such changes and such changes increase the cost to construct the Developer Improvements, then the Guarantor shall not be liable for the amount of such increased cost. The Guarantor authorizes the RDA, with notice and without lessening the Guarantor’s liability under this Guaranty, to assign or transfer this Guaranty in whole or in part; provided, however, that such assignment shall be to a party designated by the RDA to complete the Developer Improvements in connection with the RDA’s exercise of its remedies under the Development Agreement.

5. **Waivers.** The obligations of the Guarantor hereunder are independent of the obligations of Developer under the Development Agreement. The Guarantor waives any defense related to the impossibility, illegality, incapacity, bankruptcy, or receivership of Developer. The Guarantor waives any defenses based on the failure or inability of Developer to pay or reimburse the Guarantor the costs of performance hereunder. The Guarantor waives any defense to the extent that it may require the creditor to proceed against Developer as a condition precedent to any claim or demand hereon, and the Guarantor waives any right to compel the transfer of security held by the RDA, if any, including any encumbrance entitling the RDA to foreclose or levy on the Property until such time as the Certificate of Completion (as defined in the Development Agreement) is recorded.

6. **Rights and Remedies.** If the Guarantor after written demand of the RDA shall fail to commence to perform or cause to be performed promptly as provided in this Guaranty and thereafter diligently so perform, the RDA shall have the following rights and remedies from time to time after an Event of Default by Developer under the Development Agreement:

   (a) The RDA at its option, but without any obligation to do so, may proceed to perform on behalf of the Guarantor any and all work on the Developer Improvements and to pay any costs incurred in connection with the work. The Guarantor, upon the RDA’s written demand, shall promptly pay to the RDA all such sums expended together with interest thereon at a rate (the “**Specified Rate**”) per annum equal to the four percent (4%) above the “prime rate” of Wells Fargo Bank, N.A.
(b) The RDA, at its option without any obligation to do so, may cure any defaults, including without limitation, paying any unpaid bills and liens, including without, limitation those for construction, labor, and material. The Guarantor, upon the RDA's written demand, shall promptly pay the RDA all such sums expended together with interest thereon at the Specified Rate.

(c) The RDA may require the Guarantor specifically to perform the Guarantor's obligations under this Guaranty, by action at law or in equity, or both, and further to collect in any such action, compensation for all loss, cost, damage, injury, and expense sustained or incurred by the RDA as a direct or indirect consequence of Developer's or the Guarantor's failure to perform, with interest thereon at the Specified Rate.

(d) The RDA may require the Guarantor to pay to the RDA all amounts owing by Developer to all of Developer's contractors and subcontractors and materialmen.

(e) In addition, the RDA shall have and may exercise any or all of the rights and remedies it may have available at law, in equity or otherwise.

7. **Repurchase Agreement.** If an Event of Default shall occur, the RDA has the option of pursuing the Guarantor hereunder or exercising its rights under the Option to Repurchase Agreement; provided, however, that if the RDA exercises its Option under the Option to Repurchase Agreement, then, from and after such date, the Guarantor's sole obligation hereunder is to pay the RDA the Deficit Amount (as defined in the Option to Repurchase Agreement).

8. **Termination.** This Agreement shall terminate upon:

(a) the issuance by the RDA of a Completion Certificate under the Development Agreement,

(b) the payment by the Guarantor of the Deficit Amount, or

(c) the purchase of the Property by the RDA pursuant to the Option to Repurchase Agreement without the RDA giving notice to the Guarantor that the RDA is making a claim for payment of the Deficit Amount.

9. **Other Agreements**

(a) **Notices.** All notices, requests, demands and other communications hereunder shall be in writing and shall be given by (i) Federal Express (or other established express delivery service which maintains delivery records), (ii) hand delivery, or (iii) certified or registered mail, postage prepaid, return receipt requested, to the Parties at the following addresses, or other such addresses as the Parties may designate from time to time by written notice in the above manner:

(g) **Venue.** The Guarantor hereby agrees that all actions to enforce the terms and provisions of this Guaranty shall be brought and maintained only within the State of Utah and the Guarantor hereby consents to the exclusive jurisdiction of any court within the State of Utah.

(h) **Severability.** If any provision of this Guaranty is held to be illegal, invalid, or unenforceable under present or future laws, such provision shall be fully severable; this Guaranty shall be construed and enforced as if such illegal, invalid, or unenforceable provision had never comprised a part of this Guaranty; and the remaining provisions of this Guaranty shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance from this Guaranty.

(i) **Multiple Counterparts.** This Guaranty may be executed in a number of identical counterparts. If so executed, each of such counterparts is to be deemed an original for all purposes, and all such counterparts shall, collectively, constitute one agreement, but, in making proof of this Guaranty, it shall not be necessary to produce or account for more than one such counterpart.

(j) **Binding Effect.** This Guaranty is binding upon and inures to the benefit of the RDA and the Guarantor and their respective successors and assigns. If Guarantor is now or ever composed of more than one party, the obligations and warranties contained herein and arising therefrom shall be joint and several as to each party.

(k) **No Presumption.** This Guaranty shall be interpreted and construed only by the contents hereof and there shall be no presumption or standard of construction in favor of or against either Party.

(l) **Merger; Time of the Essence.** This Guaranty supersedes all prior agreements, and constitutes the entire agreement between the RDA and the Guarantor with respect to the subject matter hereof and no modification or waiver will be effective unless in writing and signed by the party to be charged. All documents and other matters required to be furnished by the Guarantor will be satisfactory in form and substance to counsel for the RDA. Time is of the essence hereof.

(m) **Assignment and Enforcement.** The RDA may, without any notice whatsoever to anyone, sell, assign, or transfer its interest in the Property and/or the Development Agreement, and in that event, each and every immediate and successive assignee, transferee, or holder of all or any part of the Property and the Development Agreement, as the case may be, shall have the

Exhibit F – Page 5
right to enforce this Guaranty, by suit or otherwise, for the benefit of such assignee, transferee, or holder as fully as if such assignee, transferee, or holder were herein by name specifically given such rights, powers, and benefits, provided that notice of transfer and/or proof of ownership of this Guaranty is provided to the Guarantor prior to the enforcement of this Guaranty.

(n) **Waiver.** The RDA shall not be deemed to have waived any rights under this Guaranty unless such waiver is given in writing and signed by the RDA. No delay or omission on the part of the RDA in exercising any right shall operate as a waiver of such right or any other right.

SECTION 2: **Requirements for the Development of the Property**

2.1 **Insurance, Building Permits and Bonds.** Prior to commencing any construction activities on the Property or adjacent property or any construction staging area, the Developer shall (or the Developer shall cause the Contractor to) deliver to the RDA the following:

(a) certificates of insurance verifying that the insurance required under Sections 2.2, 2.3 and 2.4 has been obtained.

(b) copies of all permits, including without limitation building permits, which are required by the City or any other governmental agency having jurisdiction over the construction of the Developer Improvements.

(c) a performance bond and a payment bond from the Contractor, naming the Contractor as principal and the RDA and the Developer as dual obligees, jointly and severally, written on bond forms, approved by the RDA and the Developer in a penal amount of not less than the full amount of the contract price for the construction of the Developer Improvements, together with (i) a certified and current copy of the power of attorney for the attorney-in-fact who executes the bonds on behalf of the surety and (ii) evidence that the penal sum shall be within the maximum specified for such surety; provided, however, that if the Construction Financing Documents require payment and performance bonds and the requirements for such bonds are reasonably acceptable to the RDA, then the RDA will accept such bonds to satisfy the requirements of this Agreement.

(d) The Developer shall have delivered to the RDA a completion bond naming the Developer as principal and the RDA as obligee written on a bond form, approved by the RDA, in a penal amount of not less than the full amount of the contract price for the construction of the Developer Improvements. Such bond shall be secured from a surety authorized to do business in the State of Utah and rated A- or better by the A. M. Best Company at the time of issuance of the bond and holding certificates of authority as an acceptable surety on federal bonds as listed by the United States Department of Treasury (Circular 570, as amended) in its most recent list at the time of issuance of the bond. The penal sum shall be within the maximum specified for such surety. The attorney-in-fact who executes the bonds on behalf of the surety shall affix to the bond a certified and current copy of his or her power of attorney.

2.2 **Property Insurance.** The Developer shall maintain property insurance in the amount of the contract price for construction of the Developer Improvements (including any increase in price based on change orders) on a replacement cost basis without voluntary deductibles in excess of $50,000. Such property insurance shall be maintained, unless otherwise agreed in writing by all persons and entities who are beneficiaries of such insurance, until final payment has been made to the Contractor for the construction of the Developer Improvements. The RDA shall be named as an additional named insured of such insurance policy. Such insurance shall include the interests of the RDA, the Developer, Contractor and any subcontractors and sub-subcontractors in the work. Such property insurance shall be on an all-risk policy form and shall insure against the perils of fire and extended coverage and physical
loss or damage including, without duplication of coverage, flood, earthquake, theft, vandalism, malicious mischief, collapse, false work, temporary buildings and debris removal, including demolition occasioned by enforcement of any Applicable Requirements, and shall cover reasonable compensation for the Architect’s services and expenses required as a result of such insured loss. The Developer shall also maintain Boiler and Machinery Insurance which shall specifically cover such insured objects during installation until final acceptance by the Developer. The RDA shall be named as an additional named insured of such insurance policy. Such insurance shall include the interests of the RDA, the Developer, the Contractor, subcontractors and sub-subcontractors in the work.

2.3 **Contractor’s Insurance.** The Developer shall cause the Contractor to maintain insurance with at least the following minimum insurance coverages:

(a) Workers’ compensation insurance in the amount of the statutory limit;

(b) Employers’ liability insurance in an amount not less than $1,000,000; and

(c) The Contractor’s Comprehensive Automobile Liability Insurance, including coverages of owned, non-owned and hired vehicles, shall be written with combined single limits (including personal injury liability, bodily injury liability, and property damage liability) of not less than $3,000,000 per each occurrence during the policy year.

(d) The Contractor’s General Liability Insurance shall be written on a Commercial General Liability coverage form, which coverages shall include Independent Contractor’s Liability coverage, Blanket Contractual Liability Endorsement, premise and operation coverage, Broad Form Property Damages Endorsement, explosion, collapse and underground hazard coverage, fire legal liability coverage, Product-Completed Operations coverage (which shall be kept in effect for two years after the completion of the Developer Improvements) and Personal Advertising Injury Coverage. The coverage limits shall be not less than the following:

(i) Each Occurrence limit - $3,000,000

(ii) General Aggregate - $3,000,000

(iii) Product/Completed Operations Aggregate - $3,000,000

(iv) Personal and Advertising Injury Limit - $3,000,000

The Developer and the RDA shall be additional named insureds on the Contractor’s General Liability Insurance and Comprehensive Automobile Liability Insurance. The Contractor’s General Liability Insurance and Comprehensive Automobile Liability Insurance shall be provided on an “occurrence” form and not on a “claims made” form.

2.4 **Architect’s Insurance.** The Developer shall cause the Architect to continuously maintain during the course of its performance of professional services, insurance as follows:

Exhibit H – Page 6
(a) General Liability Insurance written on an occurrence basis with per claim and aggregate annual limits of liability of not less than $1,000,000 and with a deductible or self-insured retention of not greater than $10,000; and

(b) Professional liability insurance with per claim and aggregate annual limits of liability of not less than $2,000,000 and with a deductible or self-insured retention of not greater than Fifty Thousand Dollars ($50,000).

The Professional Liability Insurance shall be maintained without interruption for a period of two (2) years after the date of the completion of the Developer Improvements. The Developer and the RDA shall be additional named insureds on the Architect’s General Liability Insurance.

2.5 Insurance Requirements Generally. Each insurance policy and bond required hereunder must be issued by a company lawfully authorized to do business in the State of Utah rated A- or better with a financial size category of class VIII or larger by A.M. Best Company and, in the case of the bonds, from a surety holding a certificate of authority as an acceptable surety on federal bonds as listed by the United States Department of Treasury (Circular 570, as amended) in its most recent list at the time of issuance of the applicable bond. The Developer shall, and shall obtain the agreement of the Contractor and the Architect to, permit the RDA, upon request, to examine the original insurance policies required hereby along with any endorsements thereto. In the event the aggregate annual limits of any insurance policies required in Sections 2.3 and 2.4 above are depleted below the aggregate annual limits required set forth therein because of payment of claims, defense costs or any other reason, the Developer shall require that the Contractor or the Architect, as the case may be, purchase such additional insurance coverage as is necessary to cause such insurance policy(ies) to achieve the aggregate annual limits of liability required in Sections 2.3 and 2.4 above. The Developer shall provide in its contracts with the Contractor and the Architect that if the Contractor or the Architect at any time neglects or refuses to provide the insurance required herein, or should such insurance be canceled, the Developer shall have the right, but not the obligation, to procure the same at the cost and expense of the Contractor and the Architect, and the cost thereof may be deducted by the Developer from any monies then due or thereafter to become due to the Contractor and the Architect. The Developer shall promptly exercise its rights under such contracts. The Developer shall bear all costs, expenses, and damages incurred by the RDA arising from such failure to purchase and maintain insurance required by this Agreement.

SECTION 3: Agreements to Develop the Property

3.1 Developer Obligation. The Developer agrees to cause the Property to be developed in accordance with the terms and provisions set forth in this Agreement.

3.2 Construction of Developer Improvements. Within three (3) business days of the date hereof, the Developer shall commence and thereafter diligently prosecute to completion the construction of the Developer Improvements in accordance with this Agreement. By the time set forth in the Schedule of Development, the Developer shall substantially complete the Developer Improvements in accordance with the Final Construction Documents and the requirements of all

Exhibit H – Page 7
governmental authorities and fire underwriters, except for "Punchlist Items." The Developer shall have an additional 60 days to complete the Punchlist Items.

3.3 Cost of Construction of Developer Improvements. The cost of demolition and developing, and constructing the Developer Improvements and all other costs shall be borne solely by the Developer.

3.4 Change Orders for Final Construction Documents. The RDA's written approval of each change order to the Construction Contract involving a change to the Final Construction Documents is required. The Developer shall provide the RDA with copies of any proposed change order to the Construction Contract. The RDA shall have three (3) business days to review any such proposed change order. If the proposed change order does not involve a Material Change to the Final Construction Documents, then the RDA shall not unreasonably withhold its approval. If the proposed change order involves a Material Change to the Final Construction Documents, then the RDA may give or withhold its approval in the RDA's sole discretion.

3.5 Certificate of Completion.

(a) Within ten (10) days after completion of all construction and development of the Developer Improvements, the Developer shall provide to the RDA:

   (i) a certificate to that effect signed by the Developer and the Architect,

   (ii) a certificate from the Architect certifying that the construction of the Developer Improvements is consistent with the design elements required to achieve the "silver" level according to the LEED standards established by the U.S. Green Building Council (official certification will not be required), together with a work sheet prepared by the Architect with points allocated to the various features of the Project and its construction in accordance with such standards, that demonstrates how the Developer Improvements would be entitled to such "silver" status, and

   (iii) a written Project Report to the RDA and the Salt Lake County Assessor, which shall include the following information:

       (A) Total square footage of the Developer Improvements.

       (B) Total development cost,

       (C) Description of the development, and

       (D) Lease rates for the Developer Improvements (as applicable).

(b) Upon written request by the Developer and if the RDA finds that the documents provided in subsection (a) are in order, the RDA shall furnish the Developer a

Exhibit H – Page 8
certificate of completion ("Certificate of Completion"). The Certificate of Completion shall be a preliminary determination of satisfactory completion of the Developer's obligations required by this Agreement with respect to the Developer Improvements and the Certificate of Completion shall so state. Notwithstanding any issuance of a Certificate of Completion, the duty of the Developer to construct the Developer Improvements in accordance with the Final Construction Documents shall survive the issuance of a Certificate of Completion and causes of action related to the Developer Improvements shall be limited solely by the applicable statute of limitations; provided, however, that the RDA agrees that it may not exercise its option to repurchase the Property pursuant to the Option to Repurchase Agreement after the date on which the Certificate of Completion is issued. A Certificate of Completion shall be in recordable form and may, at the option of the Developer, be recorded in the Recorder’s Office of Salt Lake County, and upon such recordation of the Certificate of Completion, this Agreement shall be terminated of record.

(c) If the RDA refuses or fails to furnish a Certificate of Completion for the Developer Improvements within twenty (20) days after a written request from the Developer, the RDA shall, within five (5) days of written request therefor, provide the Developer with a written statement of the reasons the RDA refused or failed to furnish a Certificate of Completion. The statement shall also contain the RDA's opinion of the actions the Developer must take to obtain a Certificate of Completion. A Certificate of Completion shall not constitute evidence of compliance with or satisfaction of any obligation of the Developer to any holder of any mortgage, or any insurer of a mortgage securing money loaned to finance the Developer Improvements, or any part thereof.

3.6 Rights of Access. For the purpose of assuring compliance with this Agreement, so long as they comply with all safety rules of the Developer and its Contractor, including signing a standard construction area release, representatives of the RDA shall have the right of access to the Property without charges or fees, during the period of construction for the purposes of this Agreement, including, but not limited to, the inspection of the work being performed in constructing the Developer Improvements. In addition, the RDA shall have the right to enter the Property (and the improvements thereon) or any part thereof at all reasonable times for the purpose of exercising the RDA's remedies, including cure rights contained in this Agreement and for the construction, reconstruction, maintenance, repair or service of any public improvements or public facilities located on the Property.

3.7 Local, State and Federal Laws. The Developer shall carry out the construction of the Developer Improvements in compliance with all Applicable Requirements, licenses, permits, and orders. The Developer represents that it has registered with and is participating in the Status Verification System under the Utah Identity Documents and Verification Act (Utah Code Title 63G, Chapter 11), to verify the work eligibility status of the Developer’s new employees that are employed in Utah. In addition, the Developer represents that each contractor or subcontractor who is working under or for the Developer (including without limitation the Contractor) has certified to the Developer by affidavit that such contractor or subcontractor has verified through the Status Verification System the employment status of each new employee of such respective contractor or subcontractor.

Exhibit H – Page 9
3.8 **Antidiscrimination During Construction.** The Developer, for itself and agrees that in the construction of the Developer Improvements, its Contractor, subcontractors, sub-subcontractors, the Architect, and its and their agents and employees, shall not discriminate against any employee or applicant for employment on any unlawful basis. The Developer agrees not to discriminate against or segregate any person or group of persons on any unlawful basis in the sale, lease, rental, sublease, transfer, use, occupancy, tenure, or enjoyment of the Property or any part thereof or of any Developer Improvements erected or to be erected thereon or any part thereof.

3.9 **Event of Force Majeure.** The Developer shall promptly notify the RDA of the occurrence of an Event of Force Majeure and a proposed adjustment to applicable dates in the Schedule of Development, which the Developer and the RDA shall then modify as appropriate. If the Developer fails to so provide the RDA with written notice of the occurrence of an Event of Force Majeure, the Developer shall have waived the right to claim an Event of Force Majeure.

3.10 **Amendments to Architect Contract and Construction Contract.** The Developer shall not amend the Architect Contract or the Construction Contract without the written approval of the RDA, such approval not to be unreasonably withheld so long as the amendment shall not result in the contract being inconsistent with this Agreement.

3.11 **Maintenance of Records.** The Developer shall keep complete and comprehensive records and books of account as to all of its activities, including the performance of its obligations, under this Agreement. The Developer shall maintain all records pursuant to Generally Accepted Accounting Principles (GAAP) and pursuant to pronouncements by the Financial Accounting Standards Board (FASB). Upon not less than five (5) business days prior written notice to the Developer, the RDA shall have reasonable access during customary business hours to all records, functions, property and to the extent reasonably available personnel of the Developer, including the Developer’s consultants and subcontractors under this Agreement, for the purpose of reviewing and auditing, at the RDA expense, all records of the Developer related to the Developer Improvements as necessary to determine the Developer’s compliance with this Agreement.

3.12 **Monthly Reports.** The Developer shall provide to the RDA each month a status report regarding the construction of the Developer Improvements, in form and in detail as requested by the RDA.

3.13 **Utah Governmental Records Access Management Act.** The Parties recognize that the RDA is subject to the Utah Governmental Records Access Management Act ("GRAMA"), Utah Code Ann. §§63G-2-101 et seq, as amended. Pursuant to GRAMA, certain records within the RDA’s possession or control (including those potential provided by the Developer) may be subject to public disclosure. The RDA hereby informs the Developer that any person or entity that provides the RDA with records that such person or entity believes should be protected from disclosure for business reasons must, pursuant to Section 63G-2-309 of GRAMA, provide to the RDA, with the record, a written claim of business confidentiality and a concise statement of reasons supporting such claim. Notwithstanding any provision to the contrary in this Agreement,
the RDA may disclose any information or record to the extent required by GRAMA or otherwise required by law, and to the RDA’s attorneys, accountants, consultants on a need-to-know basis.

SECTION 4: **Indemnity**

4.1 **Indemnification.** The Developer assumes all responsibility (both before and after the issuance of the Certificate of Completion) for, and holds the RDA and the City, and their consultants, officers, employees, and agents harmless from, and agrees to indemnify and defend, the RDA and the City and their consultants, officers, employees and agents (collectively and individually the “Indemnities”), against, all claims, liabilities, losses, costs, and expenses (including, without limitation, attorneys’ fees, reasonable investigative and discovery costs, and court costs), damages, and injuries (including, without limitation, injuries to persons, loss of life, damage to tangible or intangible property rights, or economic loss, whenever occurring) arising out of or caused in whole or in part by the acts, errors or omissions of the Developer or its agents, employees, servants, or their contractors, subconsultants of any tier, or subcontractors of any tier, or anyone directly or indirectly employed by them or for whose acts they may be liable, in the design and construction of the Developer Improvements, the Property and/or adjacent property or any improvements thereon (as applicable), regardless of whether or not such claim, liability, loss, cost, expense, damage or injury is caused in part by the negligence or other fault of an Indemnitee or whether liability is imposed upon an Indemnitee by applicable laws, rules or regulations, regardless of negligence or other fault of the Indemnitee. This indemnification obligation is intended to include, without limitation, the indemnification of Indemnities for damages apportioned to any one or more of them in cases of comparative negligence or fault, where any portion of such damages is also apportioned to the Developer or its agents, employees, servants, consultants, contractors, subconsultants of any tier, or subcontractors of any tier, or anyone directly or indirectly employed by them or for whose acts they may be liable.

4.2 **Defense.** The Developer shall defend all suits brought upon such claims and shall pay all costs and expenses incidental thereto.

4.3 **No Effect on Other Rights.** The Developer’s obligation to indemnify shall not be construed to negate, abridge or otherwise reduce other rights or obligations of indemnity which may otherwise exist in favor of the Indemnities.

4.4 **Coverage.** This obligation to indemnify, defend and hold harmless shall remain effective notwithstanding the completion of the Developer Improvements, and shall apply to damages and injuries discovered before and after the issuance of the Certificate of Completion for a period of two (2) years. In claims against the Indemnities by an employee of the Developer, or its agents, employees, servants, consultants, subconsultants of any tier or subcontractors of any tier, or anyone directly or indirectly employed by them or anyone for whose acts they may be liable, the indemnification obligation under this Section shall not be limited by any limitation on the amount or type of damages, compensation or benefits payable by or for the Developer or its agents, employees, servants, consultants, subconsultants of any tier or subcontractors of any tier, under workers’ or workman’s compensation acts, disability benefit acts or other employee benefits acts. Without limiting the generality of the foregoing, the indemnity and obligation to defend and hold harmless shall extend to:

Exhibit H – Page 11
(a) Design and/or construction by or through the Developer of the Developer Improvements or any other work or thing done in, on or about the Property or adjacent property (if applicable), or a part thereof;

(b) During the term hereof, any use, non-use, possession, occupation, construction, alteration, repair, condition, operation or maintenance of the Property or adjacent property (if applicable), or improvements thereon by or through the Developer, or any nuisance made or suffered thereon or any failure by the Developer to keep the Property, adjacent property (if applicable), or improvements thereon or of any street, alley, parking area or facility, sidewalk, curb, vault, passageway, gutter, tunnel, bridge, or space comprising a part thereof in a safe condition;

(c) Any fire, accident, injury (including death) or damage to any person or property occurring in, on or about the Property or adjacent property (if applicable) or improvements thereon or any part thereof or in, on or about any street, alley, parking area or facility, sidewalk, curb, vault, passageway, gutter, tunnel, bridge, or space comprising a part thereof; and

(d) Any lien or claim which may be alleged to have arisen against or on the Property or adjacent property, or improvements thereon or any part thereof or any of the assets of, or funds appropriated to, the RDA, or any liability which may be asserted against the RDA with respect thereto.

SECTION 5: **Transfer; Financial Encumbrances**

5.1 *Prohibition Against Transfer of Property, Developer Improvements and Assignment of Agreement.* Prior to the issuance by the RDA of the Certificate of Completion and except as provided in Section 5.2 below, the Developer shall not, without the prior written approval of the RDA (which may be withheld in its absolute discretion) (i) sell, transfer, or convey directly or indirectly, the whole or any part of the Property or the buildings or structures thereon or (ii) transfer, assign or convey this Agreement or the Developer's obligations hereunder; provided, however, that notwithstanding the foregoing, the Developer shall be entitled to (A) enter into reservation agreements, pre-sale agreements, purchase and sale agreements, leases and other similar agreements with respect to portions of the Property so long as such agreements are documented on forms previously approved by the RDA and (B) sell residential units pursuant to bona fide sales to third parties. The Developer shall not permit any change in the general partner(s) or managing member(s), if applicable, or in the ownership of or with respect to the parties that own an interest in the Developer on the date hereof, prior to the issuance of Certificate of Completion for the Developer Improvements, without the prior written consent of the RDA, which consent may be withheld in its absolute discretion. These prohibitions shall not be deemed to prevent the granting of utility easements or permits to facilitate the construction of the Developer Improvements.

5.2 *Encumbrances.* The RDA hereby approves the Construction Financing Documents. Prior to the issuance of Certificate of Completion for the Developer Improvements, the Developer shall not (a) grant any mortgage, deed of trust, or other lien secured by the

Exhibit H – Page 12
Property, other than the Construction Financing Documents or (b) enter into any other agreement encumbering the Property with any restrictions on use.

SECTION 6: **Defaults and Remedies**

6.1 **Default.** It shall be an event of default under this Agreement by the Developer (an "Event of Default") if the Developer shall fail to perform any of its duties or obligations hereunder at the time for performance set forth herein or if the Developer shall default in its obligations under any of the covenants and conditions contained in Covenants First through Seventh in the Deed, and thereafter fails to cure any such default within thirty (30) days of its receipt of a written notice of default from the RDA; provided, however, that if the nature of such default is such that more than thirty (30) days are reasonably required for its cure, then such default will not be deemed to be an Event of Default if the Developer shall commence such cure within such thirty (30) day period and shall thereafter diligently prosecute such cure to completion; provided, further, that the maximum additional time to complete such cure shall be 30 days (60 days in total); provided further that if an Event of Force Majeure shall occur during such period then the time to complete such cure shall be extended by the time period of such event. Following an Event of Default, the RDA shall have all remedies specified in the Option to Repurchase Agreement, and all remedies at law or in equity, which shall include the right to restrain by injunction any violation or threatened violation and by decree to compel specific performance of any terms, covenants or conditions of this Agreement, it being agreed that the remedy at law for any breach of any term, covenant, or condition of this Agreement is not adequate.

6.2 **No Right to Extensions.** The Developer acknowledges and agrees that the deadlines for satisfying the requirements set forth in the Schedule of Development are realistic and that the Developer anticipates being able to meet all such deadlines. The Developer understands that it is not entitled to an extension of any such deadline, and that if the Developer requests that the RDA consider any such extension, the Developer agrees that the RDA may decide to grant, modify, or decline such request, in the RDA's sole discretion. The Developer confirms that by giving the Developer the time specified for the satisfaction of any particular requirement, the RDA has taken the Property off the market and this prevents the RDA from pursuing other options during such time. Accordingly, the Developer acknowledges that the RDA is entitled to decline any such request without having to argue or prove that declining such request is reasonable under the circumstances; the Developer's mere failure to satisfy all of the requirements (due to any reason, including as a result of an Event of Force Majeure except as otherwise expressly provided herein) shall be all that is necessary for the RDA to terminate this Agreement and exercise its right to purchase the Property as provided in the Option to Repurchase Agreement.

6.3 **Right to Cure.** Should the Developer fail to timely perform any of the obligations set forth in this Agreement and thereafter fail to diligently commence performing any of such obligations within thirty (30) days of its receipt of the RDA's written demand therefor, and diligently and continuously pursue such performance to completion, the RDA, its successors and assigns, shall, in addition to any other remedy provided at law or in this Agreement, have the right (but not the obligation) to perform such obligation on behalf of the Developer, and the
Developer shall reimburse the RDA, its successors and assigns, for the actual cost of performing such work within ten (10) days after receipt of billing therefor and proof of payment thereof. In the event the Developer does not reimburse the RDA or its successors and assigns within such ten (10) days, the RDA, its successors or assigns, shall have (i) the right to exercise any and all rights which the RDA, its successors or assigns, might have at law to collect the same, and (ii) have a lien on the Property to the extent of the amount paid by the RDA, its successors or assigns, but not reimbursed by the Developer, which amount shall bear interest at a rate equal to the then published “Prime Rate” of Wells Fargo Bank, N.A., plus four percent (4%) per annum (the “Interest Rate”) (the Parties acknowledging that such rate may not be the lowest or “best” rate), or the highest legal rate of interest, whichever is less, from the date of billing until paid. Such lien may be filed for record as a claim against the Developer, in the form required by law, in the Salt Lake County Recorder’s Office, which lien shall contain at least the following information:

(a) The name of the lien claimant;

(b) The name of the Developer;

(c) A description of the work performed on behalf of the Developer and a statement itemizing the cost thereof; and

(d) A description of the Property.

The lien so claimed shall attach from the date of recordation in the amount claimed, and it may be enforced and foreclosed in any manner allowed by law, including, but not limited to, suits to foreclose a mechanic’s lien, trust deed, or mortgage under applicable law. Such lien, when so established against the real property described in such lien, shall be prior and superior to any right, title, interest, lien, or claim which may be or is acquired or attached to such real property after the time of recording the claim of lien, but shall in any event be subordinate to the lien of a Qualified Mortgagee (as defined below).

6.4 Breach Shall Not Permit Termination. No breach of this Agreement shall entitle the Developer to cancel, rescind or otherwise terminate this Agreement.

6.5 No Limitation of Remedies; Sole Discretion. The various rights and remedies herein contained, except as otherwise provided in this Agreement, shall not be considered as exclusive of any other right or remedy, but shall be construed as cumulative and shall be in addition to every other remedy now or hereafter existing at law, in equity or by statute. No delay or omission of the right to exercise any power or remedy shall impair any such right, power or remedy or be construed as a waiver of any default or nonperformance or as acquiescence therein. The Developer and the successors and assigns of the Developer, shall be jointly and severally liable for any default under this Agreement; provided, any action with regard to such default may be instituted against all or any one of them. All decisions and determinations made by the RDA under this Section 6 may be made in the RDA’s sole discretion. Notwithstanding the foregoing, the RDA agrees that if it exercises its Option under the Option to Repurchase Agreement, it shall

(Form of Development Agreement)
6.6 **RDA Default.** The RDA shall be deemed to be in default hereunder in the event the RDA shall, for any reason other than the Developer's default, fail to meet, comply with, or perform any covenant, agreement, or obligation on its part required within the time limits (including applicable cure periods) and the manner required in this Agreement. In the event the RDA shall be deemed to be in default hereunder, the Developer may, at its sole and exclusive remedy, obtain specific performance of, or a writ of mandamus to compel performance of, such duties.

**SECTION 7: Acknowledgement of RDA**

(a) **RDA Logo.** From and after the date hereof, Developer shall display the RDA's logo, pursuant to the RDA Logo Usage Guide available from the RDA, through the date the Project is fully occupied or every Unit is sold, in the following instances: (i) on any signage located on the site of the Project that names, announces, or provides renderings or photographs of the Project; (ii) on signage in or on any building, parking structure, façade, or public space being constructed or renovated that names, announces, or provides renderings or photographs of the Project; (iii) on any printed materials describing the Project; (iv) on any signage located on site that provides logos or names of one or more organizations involved in financing any part of the Project, advertising their involvement in the Project; and (v) on any digital or online presentation of the Project in part or in their entirety. At least one of the signs on which the RDA logo is displayed will be easily visible and legible from the center of the nearest public street, and will be approved by the RDA.

(b) **RDA Acknowledgement.** From and after the date hereof, Developer will include the full name of the "Redevelopment Agency of Midvale City (RDA)" in the first instance, or "RDA" in subsequent instances, and acknowledge the RDA's contributions or assistance to the Project in all printed materials describing the Project including but not limited to: (i) brochures, flyers, printed materials and signage; (ii) interviews with press organizations; (iii) descriptions of the project in newspapers, mass emails, advertisements, and case studies; and (iv) on websites owned by Developer or Guarantors in which the Project is discussed or described. When RDA assistance is acknowledged in any of the above instances, the font size, layout, and variation will be consistent with other acknowledgments in the same instance. A sample acknowledgment that may be used in some instances includes but is not limited to the following: "This project assisted/funded in part by the Redevelopment Agency of Midvale City (RDA)." The RDA acknowledges that references to the RDA may not have been included in marketing materials, signage, interviews, and descriptions used, displayed, or occurring prior to the date of this Agreement.
SECTION 8: Mortgagee Protection and Notices

8.1 Definitions. As used in this Agreement, each of the following terms shall have the indicated meaning:

(a) "Mortgage" means a mortgage, or a deed of trust, or other security agreement recorded in the Official Records.

(b) "Mortgagee" means the mortgagee under a mortgage, the beneficiary under a deed of trust or the secured party under any security agreement recorded with respect to the Property or any portion thereof in the Official Records.

(c) "Official Records" means the official records of the Salt Lake County Recorder, State of Utah.

(d) "Qualified Mortgagee" means a Mortgagee of which the RDA has been given written notice, including such Mortgagee's name and address.

8.2 Obligations of Mortgagee. Unless and until it enters into possession or acquires title pursuant to foreclosure or any arrangement or proceeding in lieu of foreclosure, any Qualified Mortgagee shall have no obligation to take any action to comply with, and may not be compelled to take any action to comply with, and shall have no liability under, this Agreement.

8.3 Notices; Right to Cure. On delivering to the Developer any notice, demand or other communication pursuant to the provisions of this Agreement and the Option to Repurchase Agreement, the RDA shall at the same time deliver copies of such notice to each Qualified Mortgagee at the latest address provided to the RDA by such Qualified Mortgagee. Although otherwise effective with respect to the Developer, no notice delivered to the Developer shall affect any rights or remedies of a Qualified Mortgagee unless a copy of such notice has been delivered to such Qualified Mortgagee in accordance with the immediately preceding sentence. Each Qualified Mortgagee and each Designated Member shall have the right to remedy a default, or cause the same to be remedied within the time allowed to the Developer.

8.4 Performance. A Qualified Mortgagee shall have the right to act for and in the place of the Developer to the extent permitted by the applicable Mortgage or otherwise agreed to by the Developer in writing. The RDA shall accept performance by or on behalf of a Qualified Mortgagee as if the same had been performed by the Developer. A Qualified Mortgagee shall have the right, to the extent the Developer agrees in writing, to appear in a legal action or proceeding on behalf of the Developer in connection with the Property.

8.5 Recognition. Within thirty (30) days of a written request therefor together with evidence as the RDA may reasonably require that a proposed Qualified Mortgagee in fact meets the requirements of a Qualified Mortgagee as set forth herein, the RDA agrees to execute, acknowledge and deliver to such Qualified Mortgagee an instrument stating that such Qualified Mortgagee is a "Qualified Mortgagee" entitled to the benefits of this Section 8.

Exhibit H – Page 16
8.6 **Estoppel Certificate.** Within ten (10) days after a written request by the Developer, a Qualified Mortgagee or a proposed Qualified Mortgagee, and upon payment of the RDA's reasonable out-of-pocket legal costs incurred in connection with the issuance thereof, the RDA shall issue a certificate confirming or not confirming if not accurate:

(a) that this Agreement is in full force and effect;

(b) that to the RDA's knowledge no default (or event which with the giving of notice or passage of time, or both will constitute default) exists on the part of the Developer or the RDA under this Agreement; and

(c) such other matters pertaining to this Agreement as may reasonably be requested.

The recipient of the certificate shall be entitled to rely on the certificate.

9.2 References. All references to “Section” or “Sections” contained herein are, unless specifically indicated otherwise, references to Sections of this Agreement. All references to “Exhibits” contained herein are references to Exhibits attached hereto, all of which are made a part hereof for all purposes.

9.3 Captions; Headings. The captions, headings, and arrangements used in this Agreement are for convenience only and do not in any way affect, limit, amplify, or modify the terms and provisions hereof.

9.4 Number and Gender of Words. Whenever herein the singular number is used, the same shall include the plural where appropriate, and words of any gender shall include each other gender where appropriate.

9.5 Attorneys’ Fees. If a Party commences a legal or equitable proceeding to enforce any of the terms of this Agreement, then the prevailing Party in such action shall have the right to recover reasonable attorneys’ fees and actual costs from the other Party. The term “legal proceedings” as used above shall be deemed to include appeals from a lower court judgment and it shall include proceedings in the Federal Bankruptcy Court, whether or not they are adversary proceedings or contested matters.

9.6 Governing Law. This Agreement and all transactions contemplated hereunder and/or evidenced hereby shall be governed by, construed under, and enforced in accordance with the internal laws of the State of Utah without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Utah or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than Utah.

9.7 Venue. The Parties hereby agree that all actions to enforce the terms and provisions of this Agreement shall be brought and maintained only within the State of Utah [and the Developer hereby consents to the exclusive jurisdiction of any court within the State of Utah].

9.8 Severability. If any provision of this Agreement is held to be illegal, invalid, or unenforceable under present or future laws, such provision shall be fully severable; this Agreement shall be construed and enforced as if such illegal, invalid, or unenforceable provision had never comprised a part of this Agreement; and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance from this Agreement.

Exhibit H – Page 18
9.9 **Multiple Counterparts.** This Agreement may be executed in a number of identical counterparts. If so executed, each of such counterparts is to be deemed an original for all purposes, and all such counterparts shall, collectively, constitute one agreement, but, in making proof of this Agreement, it shall not be necessary to produce or account for more than one such counterpart.

9.10 **Further Acts.** In addition to the acts and deeds recited herein and contemplated to be performed, executed and delivered by the Parties, the Parties agree to perform, execute, and deliver or cause to be performed, executed, and delivered any and all such further acts, deeds, and assurances as may be reasonably necessary to consummate the transactions contemplated hereby.

9.11 **Survival.** Except as otherwise provided for herein, all agreements, covenants, representations and warranties contained herein shall survive the expiration or termination of this Agreement and the performance by the Developer of its obligations hereunder.

9.12 **Conflicts of Interest.** In accordance with the Municipal Officers’ and Employees’ Ethics Act (Utah Code Ann. § 10-3-1301 to 1312), the developer represents that none of its officers, employees, or agents are officials, officers, or employees of the Agency, unless disclosure has been made in accordance with the Agency’s ordinances and policies. Further, the developer certifies that it has not offered or given any gift or compensation prohibited by local, state, or federal law, to an official, officer, or employee of the Agency to secure favorable treatment with respect to being awarded this Agreement.

9.13 **Nonliability of RDA Officials and Employees.** No member, official, or employee of the RDA shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the RDA or for any amount which may become due to the Developer or its successor on any obligation under the terms of this Agreement.

9.14 **Binding Effect.** This Agreement is binding upon and inures to the benefit of the Parties and their respective successors and assigns. If Developer is now or is ever composed of more than one party, the obligations and warranties contained herein and arising therefrom are and shall be joint and several as to each party.

9.15 **No Relationship.** Nothing contained in this Agreement, nor any acts of the Parties shall be deemed or construed to create the relationship of principal and agent or of limited or general partnership or of joint venture or of any other similar association between the RDA, its successors or assigns, or the Developer, its successors or assigns.

9.16 **No Presumption.** This Agreement shall be interpreted and construed only by the contents hereof and there shall be no presumption or standard of construction in favor of or against either Party.

9.17 **Days.** Unless otherwise specified in this Agreement, a reference to the word “days” shall mean calendar days. The term “business days” shall mean each day of the week except weekends and federal holidays during which the United States mail is not delivered.
9.18 **No Waiver of Governmental Immunity.** The Developer acknowledges that the RDA is an agency of the State of Utah and as such is subject to and bound by the provisions of the Utah Governmental Immunity Act, Utah Code Ann. § 63-30-1 (the “Act”). No covenant, provision or agreement contained in this Agreement will be deemed to be a waiver of the rights of the RDA under the Act.

9.19 **Merger: Time of the Essence.** This Agreement, together with the Purchase Agreement, supersedes all prior agreements, and constitutes the entire agreement between the Parties with respect to the subject matter hereof and no modification or waiver will be effective unless in writing and signed by the Party to be charged. All documents and other matters required to be furnished by the Developer will be satisfactory in form and substance to counsel for the RDA. Time is of the essence hereof.

9.20 **Assignability and Enforcement.** The RDA may, without any notice whatsoever to anyone, sell, assign, or transfer its interest in the Property and/or this Agreement, and in that event, each and every immediate and successive assignee, transferee, or holder of all or any part of the Property and this Agreement, as the case may be, shall have the right to enforce this Agreement, by suit or otherwise, for the benefit of such assignee, transferee, or holder as fully as if such assignee, transferee, or holder were herein by name specifically given such rights, powers, and benefits, provided that notice of transfer and/or proof of ownership of this Agreement is provided to the Developer prior to the enforcement of this Agreement.

9.21 **Recordation.** This Agreement or a memorandum of this Agreement shall be recorded in the office of the Salt Lake County Recorder.

9.22 **Approvals and Consents.** Whenever either Party is obligated to not unreasonably withhold an approval or consent hereunder, such Party shall also not unreasonably delay or condition such approval or consent.

9.23 **Waiver.** The RDA shall not be deemed to have waived any rights under this Guaranty unless such waiver is given in writing and signed by the RDA. No delay or omission on the part of the RDA in exercising any right shall operate as a waiver of such right or any other right.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be duly executed as of the date first above written.

OPTION TO REPURCHASE AGREEMENT

This Option to Repurchase Agreement (this “Agreement”) is made and entered into as of the __ day of __________, 20__, by and between the Redevelopment Agency of Midvale City, a public agency (the “RDA”), and ____________________, a Utah limited liability company (the “Owner”), both of whom are collectively referred to herein as the “Parties”, and individually as a “Party.”

RECITALS

A. In accordance with the terms of that certain Purchase Agreement to Develop Land dated as of ______________, 20__ (the “Purchase Agreement”), and pursuant to that Special Warranty Deed which was recorded on the date hereof (the “Deed”), the RDA sold and the Owner purchased certain real property located at approximately ______________, Salt Lake City, Utah (as more particularly described in Exhibit “A” attached hereto, the “Property”).

B. Also pursuant to the Purchase Agreement, on the date hereof the RDA and the Owner entered into that certain Development Agreement, which was recorded immediately before this Agreement (the “Development Agreement”), in accordance with which the Owner agreed to develop the Property [and the Related Property (as such Property is more particularly described on Exhibit A attached hereto)] as provided therein.

C. To provide assurances to the RDA that the Owner shall construct the Developer Improvements as provided in the Development Agreement, the RDA and the Owner have agreed to enter into this Agreement providing the RDA with an exclusive option to repurchase the Property [and to purchase the Related Property] from the Owner, subject to the terms, conditions and provisions set forth herein.

D. The Owner has executed this Agreement as a material inducement and condition precedent to the RDA to close on the sale of the Property in accordance with the terms, conditions and provisions of the Purchase Agreement and, but for the execution of this Agreement, the RDA would not have agreed to sell the Property to the Owner.

Exhibit I – Page 2
NOW, THEREFORE, the Parties agree as follows:

1. Incorporation of Recitals; Definition. The recitals set forth above are hereby incorporated into this Agreement and the matters therein are acknowledged by the Parties hereto to be true and correct in all material respects.

The following terms shall have the meanings set forth below:

"Developer Improvements" shall have the meaning set forth in the Development Agreement.

"Repurchase Price" shall mean the sum of the following:

(i) the purchase price in cash actually received by the RDA from the Owner for the Property,

plus

(ii) the costs reasonably incurred by the Owner in connection with the demolition or removal of any of the Developer Improvements existing on the Property at the time of the closing of the repurchase of the Property,

plus

(iii) the costs reasonably incurred by the Owner in connection with the design and construction of any of the Developer Improvements existing on the Property at the time of the closing of the repurchase of the Property (including the fees paid to the Architect for preparing the construction documents, to the Owner’s engineers, and to the Owner’s other design development and construction professionals whose work product the RDA determines creates value for such Developer Improvements, if the right to use such documents is delivered to the RDA (but excluding all other soft costs and other expenses incurred by the Owner in connection with the development of the Developer Improvements and the costs of personnel of the Owner), if and to the extent that the RDA determines such existing Developer Improvements may be used in completing the construction of the remaining Developer Improvements or may be used in completing any other development of the Property as determined by the RDA (such determinations to be made on a reasonable basis),

minus

(iv) with respect to any loan secured by a mortgage or deed of trust on the Property, the amount necessary to pay in full such loan including without limitation any prepayment fees or other costs or charges, or, in the alternative, if the RDA (or the RDA’s assigned) assumes any such loan with the consent of the lender, the amount of principal of and the accrued interest on such loan and all other costs or charges with respect to the assumption of such loan,
(v) the total of all then unreimbursed costs and expenses incurred by the RDA (including salaries to personnel) in connection with the exercise of the RDA’s rights hereunder and in the management and resale of the Property (but less any income derived by the RDA from the Property in connection with such management); all taxes, assessments, and water, sewer and other utility charges with respect to the Property; any payments made or necessary to be made to discharge any existing encumbrances or liens, or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults, or acts of or inaction by the Owner,

(vi) the total of all then unreimbursed costs and expenses incurred by the RDA (including salaries to personnel) prior to the Closing in connection with the completion of the Developer Improvements,

(vii) the total of all then unreimbursed costs and expenses incurred by the RDA or the RDA’s successor in connection with the completion of the Developer Improvements or the total of all such reasonably estimated costs and expenses that, in either case, are in excess of the projected costs for the Developer Improvements that were previously approved by the RDA pursuant to Section 3.3 of the Purchase Agreement, and

(viii) any amounts otherwise then owing the RDA by the Owner.

If the Purchase Price as so calculated is a negative number, then the Purchase Price shall be deemed to be $0, and the amount of the negative number is the “Deficit Amount”, which defined term is used in the Guaranty.

2. **Purchase Option.** Upon the occurrence of an Event of Default (as defined in the Development Agreement), the RDA shall have an exclusive option to elect to repurchase the Property (the “Option”) from the Owner on the terms and conditions specified herein.

3. **Exercise of Option.** The RDA may exercise the Option by giving written notice to the Owner (“RDA’s Option Notice”) at any time after the date which is ten days following the date on which an Event of Default occurs. The Parties agree that if the RDA pursues its remedies under the Guaranty, the RDA does not waive its rights hereunder, it being understood that the RDA may exercise the Option at any time following the date specified in the prior sentence.

4. **Termination of Option.** The Option shall terminate on the date that the RDA shall issue the Certificate of Completion as provided in the Development Agreement.
5. **Repurchase Price.** If the RDA shall exercise the Option, then it shall be obligated to pay the Owner the Repurchase Price. At the option of the RDA, the Repurchase Price may be paid in full with a promissory note, secured by a first position deed of trust on the Property, bearing interest at an interest rate of three percent (3%) per annum and having a maturity date of the earlier to occur of (a) the date that the RDA sells the Property to another developer or (b) the date that is three years after the date that the RDA acquired the Property pursuant to this Agreement.

6. **Closing Date.** If the RDA elects to exercise the Option, the closing of the RDA’s repurchase of the Property (the “Closing”) shall occur on a date specified in writing by the RDA to the Owner, which date shall not be later than thirty (30) days following the date of the RDA’s delivery of the RDA’s Option Notice (the “Closing Date”).

7. **Conveyance of the Demised Premises.** The Owner shall convey the Property by means of a special warranty deed, subject to all matters of record except for liens and monetary encumbrances created by the Owner, the intent of the Parties being that the RDA shall again hold fee title to the Property, subject only to such exceptions as existed immediately prior to the date on which the RDA and the Owner entered into the Purchase Agreement. The Owner shall cause any financing against the Property to be released and satisfied out of the proceeds of the Repurchase Price, unless the RDA assumes such financing.

8. **Title Insurance and Closing Costs.** In the event the RDA shall exercise its Option, the RDA shall have the right to procure from a title company of its choice, an owner’s policy of title insurance that insures marketable fee title to the Property, subject only to matters of record as of the date the Owner purchased the Property (and excluding all liens and monetary encumbrances created by the Owner), together with such endorsements as the RDA may require. The Owner shall pay for the cost of the standard coverage owner’s title insurance policy, and the RDA shall pay for the additional cost related to the issuance of an extended coverage owner’s title insurance policy, as well as the cost of any endorsements thereto (except for endorsements related to mechanic’s liens as set forth below). The Owner agrees to cooperate in causing the Owner’s policy of title insurance to issue, and it shall remove or cause to be removed those mechanic’s liens or monetary encumbrances that it has created or permitted, or, in the case of mechanic’s liens, to cause (at the Owner’s expense) an endorsement to be issued by the title company. The RDA shall pay all recording fees. The Owner shall pay all documentary or transfer taxes, if any. The RDA and the Owner shall equally share escrow fees. All unpaid ad valorem taxes shall be prorated between the RDA and the Owner as of the date of the Closing. No brokers or real estate agents shall be utilized in such transaction and no commissions will be due any broker or agent. Each party shall indemnify the other from any liability for any such fees or commissions incurred by it. At the Closing, the Owner shall also execute and deliver any affidavit or lien waiver reasonably requested by the RDA’s title insurer and a non-foreign affidavit.

9. **Default.** If the RDA exercises its Option, and the sale and purchase of the Property is not timely consummated on account of a default by the Owner under any of its obligations in this Agreement, the RDA shall be entitled to pursue any and all available remedies at law or in equity, including the remedy of specific performance of the Owner’s obligations hereunder. Additionally, the Owner shall reimburse the RDA for its out-of-pocket expenses incurred in

---

connection with the exercise of the Option, or the enforcement of its rights under this Agreement.

10. Other Agreements.

(a) Notices. All notices, requests, demands and other communications hereunder shall be in writing and shall be given by (i) Federal Express (or other established express delivery which maintains delivery records), (ii) hand delivery, or (iii) certified or registered mail, postage prepaid, return receipt requested, to the Parties at the following addresses, or other such addresses as the Parties may designate from time to time by written notice in the above manner:

(d) **Number and Gender of Words.** Whenever herein the singular number is used, the same shall include the plural where appropriate, and words of any gender shall include each other gender where appropriate.

(e) **Attorneys’ Fees.** If a Party commences a legal or equitable proceeding to enforce any of the terms of this Agreement, then the prevailing Party in such action shall have the right to recover reasonable attorneys’ fees and actual costs from the other Party. The term “legal proceedings” as used above shall be deemed to include appeals from a lower court judgment and it shall include proceedings in the federal Bankruptcy Court, whether or not they are adversary proceedings or contested matters.

(f) **Governing Law.** This Agreement and all transactions contemplated hereunder and/or evidenced hereby shall be governed by, construed under, and enforced in accordance with the internal laws of the State of Utah without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Utah or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than Utah.

(g) **Venue.** The Parties hereby agree that all actions to enforce the terms and provisions of this Agreement shall be brought and maintained only within the State of Utah and the Owner hereby consents to the exclusive jurisdiction of any court within the State of Utah.

(h) **Severability.** If any provision of this Agreement is held to be illegal, invalid, or unenforceable under present or future laws, such provision shall be fully severable; this Agreement shall be construed and enforced as if such illegal, invalid, or unenforceable provision had never comprised a part of this Agreement; and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance from this Agreement.

(i) **Multiple Counterparts.** This Agreement may be executed in a number of identical counterparts. If so executed, each of such counterparts is to be deemed an original for all purposes, and all such counterparts shall, collectively, constitute one agreement, but, in making proof of this Agreement, it shall not be necessary to produce or account for more than one such counterpart.

(j) **Further Acts.** In addition to the acts and deeds recited herein and contemplated to be performed, executed and delivered by the Parties, the Parties agree to perform, execute and deliver or cause to be performed, executed, and delivered at the Closing or after the Closing any and all such further acts, deeds and assurances as may be reasonably necessary to consummate the transactions contemplated hereby.
(k) **Survival.** Except as otherwise provided for herein, all agreements, covenants, representations and warranties contained herein shall survive the expiration or termination of this Agreement and the performance by the Owner of its obligations hereunder.

(l) **Conflict of Interest.** In accordance with the Municipal Officers’ and Employees’ Ethics Act (Utah Code Ann. § 10-3-1301 to 1312), the developer represents that none of its officers, employees, or agents are officials, officers, or employees of the Agency, unless disclosure has been made in accordance with the Agency’s ordinances and policies. Further, the developer certifies that it has not offered or given any gift or compensation prohibited by local, state, or federal law, to an official, officer, or employee of the Agency to secure favorable treatment with respect to being awarded this Agreement.

(m) **Nonliability of RDA Officials and Employees.** No member, official or employee of the RDA shall be personally liable to the Owner, or any successor in interest, in the event of any default or breach by the RDA or for any amount which may become due to the Owner or its successor or on any obligation under the terms of this Agreement.

(n) **Binding Effect.** This Agreement is binding upon and inures to the benefit of the Parties and their respective successors and assigns. If Owner is now or is ever composed of more than one party, the obligations and warranties contained herein and arising therefrom are and shall be joint and several as to each such party.

(o) **No Relationship.** Nothing contained in this Agreement, nor any acts of the Parties shall be deemed or construed to create the relationship of principal and agent or of limited or general partnership or of joint venture or of any other similar association between the RDA, its successors or assigns, or the Owner, its successors or assigns.

(p) **No Presumption.** This Agreement shall be interpreted and construed only by the contents hereof and there shall be no presumption or standard of construction in favor of or against either Party.

(r) **No Waiver of Governmental Immunity.** The Owner acknowledges that the RDA is an agency of the State of Utah and as such is subject to and bound by the provisions of the Utah Governmental Immunity Act, Utah Code Ann. § 63-30-1 (the “Act”). No covenant, provision or agreement contained in this Agreement will be deemed to be a waiver of the rights of the RDA under the Act.

(s) **Merger; Time of the Essence.** This Agreement supersedes all prior agreements, and constitutes the entire agreement between the Parties with respect to the subject matter hereof and no modification or waiver will be effective unless in writing and signed by the Party to be charged. All documents and other matters to be furnished by the Owner will be satisfactory in form and substance to counsel for the RDA. Time is of the essence hereof.
(t) **Assignability and Enforcement.** The RDA may, without any notice whatsoever to anyone, sell, assign, or transfer its interest in the Property and/or the Development Agreement, and in that event, each and every immediate and successive assignee, transferee, or holder of all or any part of the Property and the Development Agreement, as the case may be, shall have the right to enforce this Agreement, by suit or otherwise, for the benefit of such assignee, transferee, or holder as fully as if such assignee, transferee, or holder were herein by name specifically given such rights, powers, and benefits, provided that notice of transfer and/or proof of ownership of this Agreement is provided to the Owner prior to the enforcement of this Agreement.

(u) **Recordation.** This Agreement or a memorandum of this Agreement shall be recorded in the office of the Salt Lake County Recorder.

(v) **Waiver.** The RDA shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by the RDA. No delay or omission on the part of the RDA in exercising any right shall operate as a waiver of such right or any other right.

(w) **Priority.** This Agreement shall not be subject to any deed of trust or other financial lien.

RECITALS

A. In accordance with the terms of that certain Purchase Agreement to Develop Land dated as of ____________, 20__ (the "Purchase Agreement"), and pursuant to that Special Warranty Deed which was recorded on the date hereof (the "Deed"), the RDA sold and the Owner purchased certain real property located at approximately _________________, Salt Lake City, Utah (as more particularly described in Exhibit "A" attached hereto, the "Property").

B. As provided in the Purchase Agreement, the Owner agreed to enter into a right of first offer agreement with respect to the Property (a "ROFO")

C. The Owner has executed this ROFO as a material inducement and condition precedent to the RDA to close on the sale of the Property in accordance with the terms, conditions and provisions of the Purchase Agreement and, but for the execution of this ROFO, the RDA would not have agreed to sell the Property to the Owner.

NOW, THEREFORE, the Parties agree as follows:

1. Right of First Offer

   (a) In the event that the Owner shall decide to sell the Property, the Owner shall indicate its desire to negotiate a transaction with the RDA by giving written notice (the "ROFO Notice") to the RDA of its decision to propose that the Property be sold on such economic terms as are set forth therein. The RDA shall have ten (10) days after receipt of the ROFO Notice to notify the Owner in writing of its intent to purchase the Property.
4. **Title Insurance and Closing Costs.** In the event the RDA shall exercise its ROFO, the RDA shall have the right to procure from a title company of its choice, an owner’s policy of title insurance that insures marketable fee title to the Property, subject only to matters of record as of the date the Owner purchased the Property (and excluding all liens and monetary encumbrances created by the Owner), together with such endorsements as the RDA may require. The Owner shall pay for the cost of the standard coverage owner’s title insurance policy, and the RDA shall pay for the additional cost related to the issuance of an extended coverage owner’s title insurance policy, as well as the cost of any endorsements thereto (except for endorsements related to mechanic’s liens as set forth below). The Owner agrees to cooperate in causing the Owner’s policy of title insurance to issue, and it shall remove or cause to be removed those mechanic’s liens or monetary encumbrances that it has created or permitted, or, in the case of mechanic’s liens, to cause (at the Owner’s expense) an endorsement to be issued by the title company. The RDA shall pay all recording fees. The Owner shall pay all documentary or transfer taxes, if any. The RDA and the Owner shall equally share escrow fees. All unpaid ad valorem taxes shall be prorated between the RDA and the Owner as of the date of the Closing. No brokers or real estate agents shall be utilized in such transaction and no commissions will be due any broker or agent. Each party shall indemnify the other from any liability for any such fees or commissions incurred by it. At the Closing, the Owner shall also execute and deliver any affidavit or lien waiver reasonably requested by the RDA’s title insurer and a non-foreign affidavit.

5. **Default.** If the RDA exercises its ROFO, and the sale and purchase of the Property is not timely consummated on account of a default by the Owner under any of its obligations in this Agreement, the RDA shall be entitled to pursue any and all available remedies at law or in equity, including the remedy of specific performance of the Owner’s obligations hereunder. Additionally, the Owner shall reimburse the RDA for its out-of-pocket expenses incurred in connection with the exercise of the Option, or the enforcement of its rights under this Agreement.

6. **Other Agreements.**

All references to “Exhibits” contained herein are references to Exhibits attached hereto, all of which are made a part hereof for all purposes.

(c) **Captions; Headings.** The captions, headings, and arrangements used in this Agreement are for convenience only and do not in any way affect, limit, amplify, or modify the terms and provisions hereof.

(d) **Number and Gender of Words.** Whenever herein the singular number is used, the same shall include the plural where appropriate, and words of any gender shall include each other gender where appropriate.

(f) **Governing Law.** This Agreement and all transactions contemplated hereunder and/or evidenced hereby shall be governed by, construed under, and enforced in accordance with the internal laws of the State of Utah without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Utah or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than Utah.

Exhibit J – Page 5
(g) **Venue.** The Parties hereby agree that all actions to enforce the terms and provisions of this Agreement shall be brought and maintained only within the State of Utah and the Owner hereby consents to the exclusive jurisdiction of any court within the State of Utah.

(h) **Severability.** If any provision of this Agreement is held to be illegal, invalid, or unenforceable under present or future laws, such provision shall be fully severable; this Agreement shall be construed and enforced as if such illegal, invalid, or unenforceable provision had never comprised a part of this Agreement; and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance from this Agreement.

(i) **Multiple Counterparts.** This Agreement may be executed in a number of identical counterparts. If so executed, each of such counterparts is to be deemed an original for all purposes, and all such counterparts shall, collectively, constitute one agreement, but, in making proof of this Agreement, it shall not be necessary to produce or account for more than one such counterpart.

(j) **Further Acts.** In addition to the acts and deeds recited herein and contemplated to be performed, executed and delivered by the Parties, the Parties agree to perform, execute and deliver or cause to be performed, executed, and delivered at the Closing or after the Closing any and all such further acts, deeds and assurances as may be reasonably necessary to consummate the transactions contemplated hereby.

(k) **Survival.** Except as otherwise provided for herein, all agreements, covenants, representations and warranties contained herein shall survive the expiration or termination of this Agreement and the performance by the Owner of its obligations hereunder.

(l) **Conflict of Interest.** In accordance with the Municipal Officers’ and Employees’ Ethics Act (Utah Code Ann. § 10-3-1301 to 1312), the developer represents that none of its officers, employees, or agents are officials, officers, or employees of the Agency, unless disclosure has been made in accordance with the Agency’s ordinances and policies. Further, the developer certifies that it has not offered or given any gift or compensation prohibited by local, state, or federal law, to an official, officer, or employee of the Agency to secure favorable treatment with respect to being awarded this Agreement.

(m) **Nonliability of RDA Officials and Employees.** No member, official or employee of the RDA shall be personally liable to the Owner, or any successor in interest, in the event of any default or breach by the RDA or for any amount which may become due to the Owner or its successor or on any obligation under the terms of this Agreement.

(n) **Binding Effect.** This Agreement is binding upon and inures to the benefit of the Parties and their respective successors and assigns. If Owner is now or is ever composed of more than one party, the obligations and warranties contained herein and arising therefrom are and shall be joint and several as to each such party.
(o) **No Relationship.** Nothing contained in this Agreement, nor any acts of the Parties shall be deemed or construed to create the relationship of principal and agent or of limited or general partnership or of joint venture or of any other similar association between the RDA, its successors or assigns, or the Owner, its successors or assigns.

(p) **No Presumption.** This Agreement shall be interpreted and construed only by the contents hereof and there shall be no presumption or standard of construction in favor of or against either Party.

(q) **Days.** Unless otherwise specified in this Agreement, a reference to the word "days" shall mean calendar days. The term "business days" shall mean each day of the week except weekends and federal holidays during which the United States mail is not delivered.

(r) **No Waiver of Governmental Immunity.** The Owner acknowledges that the RDA is an agency of the State of Utah and as such is subject to and bound by the provisions of the Utah Governmental Immunity Act, Utah Code Ann. § 63-30-1 (the "Act"). No covenant, provision or agreement contained in this Agreement will be deemed to be a waiver of the rights of the RDA under the Act.

(s) **Merger; Time of the Essence.** This Agreement supersedes all prior agreements, and constitutes the entire agreement between the Parties with respect to the subject matter hereof and no modification or waiver will be effective unless in writing and signed by the Party to be charged. All documents and other matters to be furnished by the Owner will be satisfactory in form and substance to counsel for the RDA. Time is of the essence hereof.

(t) **Assignability and Enforcement.** The RDA may, without any notice whatsoever to anyone, sell, assign, or transfer its interest in the Property and/or the Development Agreement, and in that event, each and every immediate and successive assignee, transferee, or holder of all or any part of the Property and the Development Agreement, as the case may be, shall have the right to enforce this Agreement, by suit or otherwise, for the benefit of such assignee, transferee, or holder as fully as if such assignee, transferee, or holder were herein by name specifically given such rights, powers, and benefits, provided that notice of transfer and/or proof of ownership of this Agreement is provided to the Owner prior to the enforcement of this Agreement.

(u) **Recordation.** This Agreement or a memorandum of this Agreement shall be recorded in the office of the Salt Lake County Recorder.

(v) **Waiver.** The RDA shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by the RDA. No delay or omission on the part of the RDA in exercising any right shall operate as a waiver of such right or any other right.

(w) **Priority.** This Agreement shall not be subject to any deed of trust or other financial lien.
IN WITNESS WHEREOF, the Parties have caused this Agreement to be duly executed as of the date first above written.
