

Bulky Item and Green Waste Program

Midvale City's residential trash service includes monthly bulky item and green waste collection. Ace Recycling & Disposal will pick up items that are too big to fit in trash cans on the **third FULL week of every month on the customers normally scheduled trash day** (The full week starts on a Sunday and ends on a Saturday. (See *Recycling & Bulky Item/Green Waste Schedule* below.) It is imperative that customers follow the guidelines to ensure their items are picked up. If a customer does not follow the guidelines, their items will not be picked up and they will receive a green non-compliant notice. All items must be removed from the street and be properly prepared before they can be placed curbside for the next Bulky Item/Green Waste pick up.

Guidelines

- Place items curbside the night before or no later than 6:30 a.m. on the third FULL week of the month on your normally scheduled trash day.
